Within every crystal is a message. Each stone has a story that can teach and heal us if we reflect deeply on its image. Written by the world's leading crystal expert, Judy Hall, *The Crystal Seer* is a portable crystal reference and oracle. Readers can peruse the pages until their finger catches a page or simply choose a stone that speaks to them. Each entry includes a dazzling full-color crystal image and explains its magical power and how it can be used in meditation and ritual. Whether used intuitively or as a reference guide, *The Crystal Seer* will show you how to tap into the power of the stones.

Girolamo Cardano was an Italian doctor, natural philosopher, and mathematician who became a best-selling author in Renaissance Europe. He was also a leading astrologer of his day, whose predictions won him access to some of the most powerful people in sixteenth-century Europe. In *Cardano's Cosmos*, Anthony Grafton invites readers to follow this astrologer's extraordinary career and explore the art and discipline of astrology in the hands of a brilliant practitioner. Renaissance astrologers predicted everything from the course of the future of humankind to the risks of a single investment, or even the weather. They analyzed the bodies and characters of countless clients, from rulers to criminals, and enjoyed widespread respect and patronage. This book traces Cardano's contentious career from his first astrological pamphlet through his rise to high-level consulting and his remarkable autobiographical works. Delving into astrological principles and practices, Grafton shows how Cardano and his

contemporaries adapted the ancient art for publication and marketing in a new era of print media and changing science. He maps the context of market and human forces that shaped Cardano's practices--and the maneuvering that kept him at the top of a world rife with patronage, politics, and vengeful rivals. Cardano's astrology, argues Grafton, was a profoundly empirical and highly influential art, one that was integral to the attempts of sixteenth-century scholars to understand their universe and themselves. Many of the secrets of life and consciousness can be discovered through Vedic Astrology. Mythology students will find it helpful in unlocking the astrological keys to the great archetypes of the psyche.

Vedic Astrology Simply Put is a colorful, fun, and simplified entry into the mysterious and captivating world of Vedic Astrology, called Jyotish in India. William R. Levacy, an astrologer with more than two decades of experience, offers beautifully rendered illustrations and text to ease your understanding of this ancient system of behavior and trend analysis. This book gives you straightforward guidance on: * How to decipher the myths and origins of Vedic astrology * How Vedic astrology differs from Western or Tropical astrology * The Vedic style of interpreting the Sun, Moon, planets, houses, and signs * How the Vedic seers used the Moon signs (called nakshatras) and other special techniques to zero in on how people behave * How to use Ayurveda, the Science of Health; and Vastu--the Science of Space (India's counterpart to Feng Shui)--integrated with Vedic astrology, the Science of Time Much of the Vedic art was custom created for

Light on Life: An Introduction to the Astrology of India Light on Life brings the insight and wisdom of Indian astrology to the Western reader. Jyotish, or Indian astrology, is an ancient and complex method of exploring the nature of time and space and its effect upon the individual. Formerly a closed book to the West, the subject has now been clarified and explained by Hart de Fouw and Dr. Robert Svoboda, two experts and long-term practitioners. In Light on Life they have created a complete and thorough handbook that can be appreciated and understood by those with very little knowledge of astrology.

A comprehensive guide to understanding and practicing Vedic astrology, the art of jyotish. • Teaches beginners how to read and interpret Vedic astrology charts, based on their own birth chart as well as the birth charts of 112 notable people. • Shows how to use Vedic astrology to anticipate upcoming events and direct the cosmic energies of one's life toward a positive future outcome. For over 5,000 years the people of India have used jyotish, or Vedic astrology, to anticipate future influences and make major decisions. Now Andrew Bloomfield brings this increasingly popular tool to the West in an easy-to-follow, comprehensive format, providing the reader with everything needed to practice the Indian art of predicting the future. Vedic astrology was codified by the ancient Maharishis to help people achieve the four basic goals of human existence:

kama (desire), artha (wealth), dharma (life purpose), and moksha (spiritual growth). Unlike other forms of astrology, Vedic calculations focus more on the primal, unconscious, driving forces linking our thoughts and actions. How to Practice Vedic Astrology shows how to make accurate predictions on when to expect life's changes concerning one's career, love life, children, or spirituality.

Learn the basic principles of astrology without having to learn the theory beforehand. In order to understand the fundamental principles of astrological influences, why they exist and how they affect us, you must become familiar with the nature of the one who is affected, your own essence. It is all connected. Two things are in existence: you and the universe. If you delve into one with the utmost care, you will automatically understand the other because, in their foundation, they are the same. Astronomy is the science of how the universe works. Astrology is the science of how the holographic universe affects us. It broadens our horizons because it provides a holistic approach to life. Astrology shows us all the details of the way in which our transcendental soul is trapped in the body and events of our life, the ways in which we have been obstructed from attaining self-knowledge. That will make us understand how to set ourselves free. The knot can be untied by learning the way in which it was tied. We do not have to know all the details. It is enough to be acquainted with the basic principles of how astrology works to be able to know the basic principles of liberation and self-knowledge. They are presented before you in a summarized version.

Ancient Hindu Astrology For The Modern Western Astrologer Revised And Expanded 2020 Edition. A comprehensive introductory book on how to learn and practice Hindu/Vedic astrology. It is both an easy to understand manual on the subject as well as a reference text that includes 180 pages of planets in house descriptions. There is also 125 page section describing the horoscopes of 14 famous individuals in detail. The original version of this book was written in 1985, and this revised and expanded book is about 200 pages longer than the original. It has been updated to include more practical information that took the author 20 years of practice to learn. It was originally written for Westerners, but was so well received that many Indians and Easterners use it as a reference text.

This book is about understanding equations of relationships with the help of Vedic Astrology. One cannot ignore the importance of relationships in life and always desires to be loved and respected by others. The book gives an approach for making relationships better if one understands the potential of planets in the birth chart. By understanding the weak and strong points in the chart one can mould himself accordingly and move in the right direction to get the desired result and improve his relationships and living.. In each chapter - the converse charts are taken to describe the events however it advisable that no prediction should be made by studying the charts on the surface only. All factors should be taken into consideration while predicting an event and the reading should be done by scientific approach only. A special chapter in

the beginning is given for the reader to make him understand the terminology and its role in understanding the chart which will then enable him to understand and improve his relations via Vedic Astrology easily. Though the calculative part has been explicitly ignored to make reading easy, the combinations, the in depth analysis and use of simple tools, the use of converse charts and their analysis will stimulate the mind for deep study and make it interesting for all. Each chapter is supported with suitable examples. All cases taken are genuine and supported by real incidents. The book is a result of some authentic research done by the author over the years. #v&spublishers "The Rig Veda is not only one of the oldest sacred scriptures of the world, but also one of the most misunderstood. Past scholarship has dismissed the hymns of the Rig Veda as being expressions of a primitive animistic mentality that only rarely rose to true spiritual and philosophical heights. David Frawley's book demonstrates that this judgmental view is ill-founded. His fine renderings of select Vedic hymns bear witness to the fact that their composers were sages and seers--powerful poets who knew the art of symbolic and metaphoric communication. The Vedic hymns give us a unique glimpse not into a primitive mentality but a mentality and culture that revolved around the highest spiritual values and visions. This is an important and riveting book, ushering in a new and sounder tradition of Vedic interpretation and scholarship." Georg Feuerstein "This book presents the ancient Hindu astrology in its occult and esoteric aspects. Traditional practitioners often failed to defend the veracity of the subject and dispel the

scepticism of modern intellectuals. The ancient revelations have been restated here to meet contemporary requirements. The ancient seers presented Vedic Astrology under various assumptions and in allegorical and symbolic languages. They assumed polydimensional extension of human consciousness which was closely related with planetary impulses. Apart from the general approach to this ancient science, the study presents in depth the astrological description of the nature of man. It also provides deeper implications of various planetary combinations. Advanced practitioners as well as general readers will find the book informative, illuminating and highly rewarding. For the first time, a Tantric scholar and expert in the Hindu traditions of Ayurveda and astrology presents a system of numerology that combines numerical calculations, astrological data, and an analysis of body type. He illustrates the Vedic Square and the visual patterns that can be derived from it, casting a revealing light on the more esoteric interpretations of numbers and their relationship to one another. Recommendations are given regarding strong and weak periods of day or year, favorable colors and precious stones to be worn, and meditations and mantras to be practiced for health and prosperity. Explains how to determine the psychic number, name number, and destiny number; how these numbers relate to each of the nine planets, and how they apply to every aspect of life--including personality, temperament, intelligence, talents, sexuality, spirituality, finances, travel, and health.

and for society. Through it the modern reader can understand the energies of their stars and learn how to utilize these to bring their lives into harmony with the great forces of the universe. This book is must reading not only for any students of astrology but for anyone interested in self-development or spiritual growth.

This is a book that I would recommend to anyone who is thinking of learning Vedic Astrology. Congratulations Ronnie on a job well done. I would recommend this book to the newcomer to vedic astrology a worthy contribution to the limited although expanding number of vedic books. A dazzling tour de force on a topic that needs elucidation for modern astrologers. Readers thinking about taking a dip in the ocean on vedic astrology will find this book an excellent place to wade in. Vedic veterans will benefit from Ronnie's valuable new material on planetary combinations.

All forms of life comprise the five Natural Elements (Panch Mahabhuta Tatwa), namely, Air, Water, Soil, Space and Fire. These five Elements combine together to create a balance in Nature, which ultimately helps in the creation and sustenance of life. Any kind of disharmony may lead to a catastrophe. However, the modern man with his increasing interference in the natural mechanisms, is incessantly polluting the Elements and as such casting a doom on himself. Panch Mahabhuta Tatwa and Sharira offers a scientific study of the Elements and the body, and their inter-relationship. It is an effort to introduce ourselves to our selfish face and the impact it is having on the environment and life on earth. the book, basically, aims at making us realise the need to change our

ways, close the entrance to the path of destruction and extinction, and move on the constructive path, keeping the Elements clean for growth, health and happiness. Not only will it be a victory of man, but also of Elements, body, divinity and humanity! Astrology of the Seers is a clear yet comprehensive presentation of Vedic astrology and makes this difficult-to-understand subject clear, practical and relevant. It reveals the deeper implications of the Vedic system in sections on astrology as a spiritual science, astrology and psychology, astrology and yoga. Of special interest, the book explains the cycle of the world-ages (yugas), showing the Vedic view of human history, and the connection of our solar system with galactic sources of energy. Thirty-two example charts of all types are explained including those of many spiritual teachers, covering all the main aspects of its philosophy, background and practice, including chart interpretation and methods of balancing planetary influences such as mantra and gem therapy. The present edition has been thoroughly revised and updated.

"Ever since my first journey to India I have desired to share the knowledge I was fortunate enough to receive. I have also felt a need to dispel some rather major misconceptions, the main one being the fact that Hindu astrology is extraordinarily difficult. This is not true, as will soon hopefully be revealed. Although I have always been most fascinated with astrology because of the philosophical implications and revelations which can be extracted. I have done my best to keep philosophy from this work, as that is not my present purpose. It is my intention only to present Hindu astrology in a way that it deserves to be presented, which is long overdue -- a way which western astrologers can understand and utilise, and which will clear away the mystery and finally put into perspective the enormously complex techniques which

Bepin Behari is an internationally recognized Hindu astrologer trying to revive ancient spiritual eminence of vedic astrology. He was invited by American Council of Astrology to be guest of honour at the fifth International Seminar at San Diego; Washington State Astrological Association also invited him to address its members. Bepin Behari conducted an International workshop for the British Association for Vedic Astrology. He is a frequent contributor to international Astrological Journals..

Called a "path breaker" among astrology books, with original research and in-depth coverage, the author combines non-technical and technical material very effectively in a compelling narrative. This book contains a riveting choice of biographies and historical, cultural events that illuminate both individual AND collective destinies. When Vedic astrology - the astrology of India - is combined with biography, history, politics, the arts and culture, a key missing component is provided to all of the above. In Search of Destiny is for astrologers, astrology students as well as for the layperson. The only criterion is an interest and openness to astrology. Find out how the planets affect individuals and whole nations and societies, and how the chart of a national leader is never separate from the nation ruled - for as long as he or she is in power. An extensive glossary, footnotes and index help the reader to navigate through the wide-ranging information provided in this book. For the novice, Chapter 2 provides a succinct summary of Vedic astrology and philosophy. Vedic charts are presented in both North and South Indian format, with the lifetime planetary cycles of the Vimshottari Dasha system - for which Vedic astrology is so famous. Any astrologer will benefit from the depth of research done

here, and the layperson will find this a user-friendly book that broadens the horizons. "Edith Hathaway's remarkable new book *In Search of Destiny* is an astrological sensation on many levels. ...A narrative of individual dharma woven in the context of collective destiny.... Her innovative research of the 20-year Jupiter/Saturn cycles over a 1000-year period bears rich historical and thematic fruit... and includes her current and future predictions. I highly recommend *In Search of Destiny* ..." Dennis Flaherty, Vedic astrologer, President of CVA (Council of Vedic Astrology), Washington, USA.

THE TIMING OF EVENTS fulfils an important need of Vedic Astrology. Predictive astrology aims at identifying the specific period for the occurrence of a specific event. Several principles on this subject have been indicated in classical texts. Many of them are not available to a large number of modern students. The present study on the subject by Bepin Behari gives various principles on the subject in a very lucid and readable manner. It discussed Dasa system, transits of planets, Astakavarga, Annual Horoscopy and the principles laid down in *Tajaka Nilkanthi*. It is down in *Tajaka Nilkanthi*. It is expected that the students and practitioners of Vedic Astrology will find the book immensely helpful.
