In the late twelfth century, across the sweeping Mongolian grasslands, brilliant, charismatic Temujin ascends to power, declaring himself the Great, or Genghis, Khan. But it is the women who stand beside him who ensure his triumph.... After her mother foretells an ominous future for her, gifted Borte becomes an outsider within her clan. When she seeks comfort in the arms of aristocratic traveler Jamuka, she discovers he is the blood brother of Temujin, the man who agreed to marry her and then abandoned her long before they could wed. Temujin will return and make Borte his queen, yet it will take many women to safeguard his fragile new kingdom. Their daughter, the fierce Alaqai, will ride and shoot an arrow as well as any man. Fatima, an elegant Persian captive, will transform her desire for revenge into an unbreakable loyalty. And Sorkhokhtani, a demure widow, will position her sons to inherit the empire when it begins to fracture from within. In a world lit by fire and ruled by the sword, the tiger queens of Genghis Khan come to depend on one another as they fight and love, scheme and sacrifice, all for the good of their family...and the greatness of the People of the Felt Walls.

Winner of the World Fantasy Award: New twists on classic fairy tales from Neil Gaiman, Patricia Briggs, Robin McKinley, Caitlín R. Kiernan, and more. Long ago, when we were children, our dreams were inspired by the fairy tales we heard at our mothers' and grandmothers' knees—stories of princesses and princes and witches and wondrous enchantments, by the Brothers Grimm and Hans Christian Andersen, and from the pages of 1001 Arabian Nights. But, as World Fantasy Award-winning editors Ellen Datlow and Terri Windling remind us, these stories were often tamed and sanitized versions. The originals were frequently darker—and in *Silver Birch*, *Blood Moon*, they turn darker still. Twenty-one modern Grimms and Andersens—masterful storytellers including Neil Gaiman, Nancy Kress, and Tanith Lee—now reinvent beloved bedtime stories for our time. *The Sea Witch* gets her say, relating the story of “The Little Mermaid” from her own point of view. “Thumbelina” becomes a tale of creeping horror, while a delightfully naughty spin is put on “The Emperor’s New Clothes.” Author Caitlín R. Kiernan transports Snow White to a dark, gritty, industrial urban setting, and Patricia Briggs details “The Price” of dealing with a royal and unrepentantly evil Rumpelstiltskin. Rich, provocative, and unabashedly adult, each of these tales is a modern treasure, reminding us that wishes have consequences and not all genies have our best interests at heart.

An extraordinary story of the Knights Templar. Europe is aflame. On the Iberian Peninsula the wars of the Reconquista rage across Aragon and Castile. Once again,

the Moors are gaining the upper hand. Christendom is divided. Amidst the chaos is a young knight: Arnau of Vallbona. After his Lord is killed in an act of treachery, Arnau pledges to look after his daughter, whose life is now at risk. But in protecting her Arnau will face terrible challenges, and enter a world of Templars, steely knights and visceral combat he could never have imagined. She in turn will find a new destiny with the Knights as a daughter of war... Can she survive? And can Arnau find his destiny? An explosive novel of greed and lust, God and blood, Daughter of War marks the beginning of an epic new series from bestseller S. J. A. Turney. Perfect for fans of Bernard Cornwell, Conn Iggulden and Matthew Harffy. Praise for S.J.A. Turney'Turney has woven a tale of absolute escapism. The depth of detail and strong narrative tension lead to complete, blissful immersion' Gordon Doherty, author of the Legionary and Strategos series

In Avonar, Gerick investigates the ancient king D'Arnath's own daughter, held captive by the Lords of Zhev'Na for a thousand years-or so she claims. Entangled in bonds of love, family, and secrecy, Gerick unravels the mysteries of ancient kings, ancient evil-and the dreadful truth of his own destiny.

Jack Flynn's Blood in the Water is an edge-of-the-seat ride in a roller coaster, action-packed thriller with international terrorism at its core and family at its heart. Boston is in the grip of the coldest winter on record, but in its criminal underworld the temperature is rising. Harbor chief Cormack O'Connell has lived his life close to the wire – above and

below the law. He knows every movement on his waterfront, and that's why someone wants him out of the way, fast. Homeland security agent Kit Steele is committed to avenge terrorism. Also known as The Hunter, she's got her eye on the prize. This time it's personal, and she has nothing left to lose. Her prey is Vincente Carpio, one of the world's most dangerous criminals. He is clever, calculating and he's biding his time. Diamond O'Connell is a daughter, a lover and a fighter. She's seen things most nineteen-year-old girls couldn't even begin to imagine. And she's about to become a pawn in a deadly game of cat and mouse. Everyone has their part to play, but now it seems that there are much darker, far-reaching forces at work which look to be preparing for the international stage.

Tom Willock's first book, *Green River Rising*, earned the kind of reviews that are rarely accorded to most so-called literary thrillers. This remarkable debut was hailed for its rich, powerful writing as well as its dramatic, page-turning suspense. The *New York Times Book Review* called it "beautifully vivid" and "triumphantly realized," while *People* called it "as fine a thriller as one could ask for." The author's much-anticipated second novel is as powerful and ambitious as its predecessor. Set in New Orleans and the rural South, it is the story of a chain of cataclysmic events let loose by the murder of Clarence Jefferson, a legendary lawman who has gathered a cache of evidence that could imprison corrupt politicians in five states. His last act, it appears, was to handpick two people as the unlucky heirs of his potentially explosive evidence files. The pair

must either dispose of them as fast as they can or—at considerable risk to themselves—deliver the files to the authorities. Lenna Parillaud and Dr. Cicero Grimes, Jefferson’s “beneficiaries,” have never met. Lenna, a millionaire businesswoman, has been racked by grief and rage over the loss of her daughter. Dr. Grimes is a clinically depressed psychiatrist. Though both have burdens enough of their own, they are swept up into this story of Southern violence, passion, and vengeance, the likes of which perhaps only the readers of Willocks’s previous novel can imagine. Compared by critics to Norman Mailer, James Ellroy, Stephen Hunter, and Andrew Vachss, Willocks offers a unique amalgam of gritty realism and something more—a depth and intensity that is seldom achieved in popular fiction.

In *Eldest Daughter*, Ava Leavell Haymon displays her mastery of the craft and engages us with the poetic gifts we have come to expect from her. As in previous collections, she combines the sensory and the spiritual in wild verbal fireworks. Concrete descriptions of a woman's life in the mid-twentieth-century American South mix with wider concerns about family lies and truths, and a culture that supports or forbids clear speech. In a passage from "The Holy Ghost Attends Vacation Bible School," the physical world of children interplays with the divine: The least likely place the Holy Ghost ever descended was in east Mississippi. Red clay hills and church politics soured on years of inbreeding. Every deacon drove a pickup. At Bible School, the kids played red rover and rolled down the sharp slope behind the Baptist church. He recognized the dizziness at the bottom and the fear of having your name called, but the grass stains, the torn blouses, and sprained wrists -- these were beyond Him. Haymon's poems encourage us to

revel in the natural world and enjoy its delights, as well as to confront the difficult realities that keep us from doing so.

Self-educated and brown-skinned, Cassie works full time in her grandmother's laundry in rural Mississippi. Illiterate and white, Judith falls for colored music and dreams of life as a big city radio star. These teenaged girls are half-sisters. And when they catch wind of their wayward father's inheritance coming down in Virginia, they hitch their hopes to a road trip together to claim what's rightly theirs.

An emotional family saga that will tug at the heartstrings from Sunday Times bestseller Kitty Neale.h2> Daisy Bacon has an ordinary, happy life living with her family in South London. Until tragedy strikes and her mother is killed in a devastating accident. Blaming herself, Daisy retreats into a world of silence, unable to utter a word. When her father remarries, the family home becomes unbearable at the mercy of cruel stepmother Vera. Luckily, Daisy can always count on her cousin Lizzie to bring sunshine to her life. A young lawyer's outwardly perfect life spirals out of control as she takes on her first murder case in this "dark, original and utterly compelling" domestic noir for readers of Paula Hawkins, A.J. Finn, or Shari Lapena. (Lisa Jewell, New York Times bestselling author of *Then She Was Gone*) Alison has it all. A doting husband, adorable daughter, and a career on the rise--she's just been given her first murder case to defend. But all is never as it seems... Just one more night. Then I'll end it. Alison drinks too much. She's neglecting her family. And she's having an affair with a colleague whose taste for pushing boundaries may be more than she can handle. I did it. I killed him. I should be locked up. Alison's client doesn't deny that she stabbed her husband - she wants to plead guilty. And yet something about her story is deeply amiss. Saving this woman may be the first step to Alison saving herself. I'm watching you. I know what you're doing. But someone knows Alison's secrets. Someone who wants to make her pay for what she's done, and who won't stop until she's lost everything....

The Queen of Glasgow, Toni McVay, is no ordinary crime boss. For one thing, she likes to discipline disappointing employees by scooping out their eyeballs and keeping them as souvenirs. Jamie Gray and his gang the Blood Brothers are happy to do her dirty work in return for lessons in the ways of the local underworld, but are in no doubt that they need to keep Toni sweet to keep themselves safe. Rival families The Gordons and The Thompsons are ready for a turf war, keen to take over the lucrative Gallowburn estate, and weaken Toni's grip on the city. But can the old enemies really trust each other enough to join forces? And will their

One Man Had All The Answers Josie Blume's earliest memories were of an eccentric mother who hid her three daughters away from prying eyes and scared off trespassers with a gun. Josie's bizarre childhood had to be the explanation for her miserable track record with the opposite sex. That's why the spunky interior designer needed to piece together her family puzzle, even though it meant finding the father who'd rejected her at birth—and who might reject her again. As always, her buddy Gabe Thomas was beside her every step of the way. Yet the closer she got to the truth, the more confusing things became. Of course, passion was something women shared with men—but passion with your best male friend? Heartland Sisters—together again.

"The Odyssey has been described as a 'women's' epic, full of female characters and different in kind and colour from the Iliad with its tight focus and its largely male world. Graves's Nausicaa is a brilliant story-teller. She is a princess of mixed ancestry, combining in herself the various cultures that inform the language and folklore of the epic. She lives in a Greek-Trojan settlement in Sicily some time after the Trojan War. Graves makes it possible for us to believe that she tells her own, true story, buried within Homer's epic. There is adventure and intrigue; the book stands near the beginning of a tradition that includes Leonardo Sciascia's The Council of Egypt and Umberto Eco's The Name of the Rose. Nausicaa is smart and resilient. She solves the mystery of her brother's disappearance, then organises a counterplot, recalling

Matt is six years old when he discovers that he is different from other children and other people. To most, Matt isn't considered a boy at all, but a beast, dirty and disgusting. But to El Patron, lord of a country called Opium, Matt is the guarantee of eternal life. El Patron loves Matt as he loves himself - for Matt is himself. They share the exact same DNA. As Matt struggles to understand his existence and what that existence truly means, he is threatened by a host of sinister and manipulating characters, from El Patron's power-hungry family to the brain-deadened eejits and mindless slaves that toil Opium's poppy fields. Surrounded by a dangerous army of bodyguards, escape is the only chance Matt has to survive. But even escape is no guarantee of freedom... because Matt is marked by his difference in ways that he doesn't even suspect.

This imaginative and unconventional debut novel is set centuries in the future. An unnamed event has wiped out most of humanity, scattering its remnants across vast and now barren lands reminiscent of the 19th century western frontier of America. Small clusters of humans still cling to existence in a post-apocalyptic world that is increasingly overrun by those who have risen from the dead--or, as the living call them, the Walkin'. Thomas, a thirty-two year old conscripted soldier, homeward bound to the small frontier town of Barkley after fighting in a devastating civil war, is filled with hope at the thought of being reunited with his wife, Sarah, and daughter, Mary, both named after characters in the Good Book. As it turns out, he also happens to be among the Walkin'. Devoid of a pulse or sense of pain, but with his memories and hopes intact, Thomas soon realizes that the living, who are increasingly drawn to the followers of the Good Book, are not kindly disposed to the likes of him. And when he learns what the good people of Barkley intend to do to him, and to his family, he realizes he may just have to kidnap his daughter to save her from a fate worse than becoming a member of the undead. When the people of Barkley send out a posse in pursuit of father and daughter, the

race for survival truly begins...

By blood, by word, by magic... Most can't touch the power. But Liv Warren is special—a paranormal tracker who follows the scent of blood. Liv makes her own rules, and the most important one is trust no one. But when her friend's daughter goes missing, Liv has no choice but to find the girl. Thanks to a childhood oath, Liv can't rest until the child is home safe. But that means trusting Cam Caballero, the former lover forbidden to her. Bound by oath and lost in desire for a man she cannot have, Liv is racing to save the child from a dark criminal underworld where secrets, lies, trauma and danger lurk around every corner...every touch...every kiss. And more blood will be spilled before it's over...

War hysteria, spying, and blackmail smack up against the courage, ambition and pride of three generations of mid-western women for a fast paced tale of action, honor and family. Grete, a newspaper publisher in 1918, faces the violent, anti-German sentiment of World War I and, with lessons for today, publishes her paper in German in spite of an English-only law. Her daughter, Trude, reaches adulthood in World War II during increasing revelations of Hitler's atrocities in Europe. She rejects all things German and engages in counter espionage for the U.S. but entangles herself. Her daughter, Darian, becomes an investigative reporter and uncovers the rat line and the presence of Nazi war criminals in the U.S., but also learns a secret.
