

## Desert Eagles

When Danny makes "the catch," everyone seems interested in him. Girls text him, kids ask for autographs, and his highlight play even makes it on SportsCenter's Top Plays. A sports-gear executive tempts Danny with a big-money offer, and he decides to take advantage of his newfound fame. Danny agrees to wear their gear when he plays. But as his bank account gets bigger, so does his ego. Will Danny be able to keep his head in the game?

Bankrupt city is just another book that the world has been waiting for. The wait is over

Geecheeland Stories is a collection of fictional short stories based in present day South Carolina. This story follows the main protagonist Slim. He comes back home for a visit only to find himself in a web of trouble. He and his friend must find away to get rid of a corrupt police officer, and a mercenary group that is trying to kill them.

In this latest novel from bestselling author John Verdon, ingenious puzzle solver Dave Gurney puts under the magnifying glass a notorious serial murder case – one whose motives have been enshrined as law-enforcement dogma - and discovers that everyone has it wrong. The most decorated homicide detective in NYPD history, Dave Gurney is still trying to adjust to his life of quasi-retirement in upstate New York when a young woman who is producing a documentary on a notorious murder spree seeks his counsel. Soon after, Gurney begins feeling threatened: a razor-sharp hunting arrow lands in his yard, and he narrowly escapes serious injury in a booby-trapped basement. As things grow more bizarre, he finds himself reexamining the case of The Good Shepherd, which ten years before involved a series of roadside shootings and a rage-against-the-rich manifesto. The killings ceased, and a cult of analysis grew up around the case with a consensus opinion that no one would dream of challenging -- no one, that is, but Dave Gurney. Mocked even by some who'd been his supporters in previous investigations, Dave realizes that the killer is too clever to ever be found. The only gambit that may make sense is also the most dangerous – to make himself a target and get the killer to come to him. To survive, Gurney must rely on three allies: his beloved wife Madeleine, impressively intuitive and a beacon of light in the gathering darkness; his de-facto investigative “partner” Jack Hardwick, always ready to spit in authority’s face but wily when it counts; and his son Kyle, who has come back into Gurney’s life with surprising force, love and loyalty. Displaying all the hallmarks for which the Dave Gurney series is lauded -- well-etched characters, deft black humor, and ingenious deduction that ends in a climactic showdown – Let the Devil Sleep is something more: a reminder of the power of self-belief in a world that contains too little of it.

More than half of the human race is dead because of the nuclear explosions in World War Three. Pain, death, and hopelessness rule the world and crush the people left to scramble for survival. These survivors pray for an end to their suffering. Finally, their prayers are answered. Rising amid the chaos and destruction are the immortal twins, taught to survive and trained for one purpose. Three thousand years of life has taught them how to end the suffering, how to bring hope back to the world. To end the suffering, they must fight against one of their own. A tyrant who wants to rule the city with an iron fist, oppressing the people further and leaving them with no hope. The twins begin the fight alongside others like themselves so they can bring peace to the war-ravaged world. The battle they begin is one that forces them to face hardships they have never seen before in their long lives. This very battle could rip them apart at the seams. Can they restore peace to a world destroyed by its own people, or will they lose each other forever

A vigilante organization known as the Silver Sun that operates on a moon combats an occultist network that controls the majority of planet Nyamir. Cavlov, a reknown genius and head of the research and development team is exposed to a psychotropic toxin that warps his mind and drives him to use his intelligence, technological resources, and late prowess of sorcery to lead a systematic attack on various worlds.

They say that the road to Hell is paved with good intentions. What does that even mean? Where is the line, between good and evil, and how do you cross it? What pushes someone to commit horrible atrocities against their loved ones, and what pushes someone to make the ultimate sacrifice, for people they've never even met? Things are not always as they appear...

Brooklyn-born Peru Danes is a young, street-wise drug mule for her ex-beau, Grand, the most notorious crime lord this side of the underworld. And she's fed up! After years of physical and emotional abuse by her ex-boss/lover, Peru embarks on a mission to take both a portion of his money and product on what she considers her 'last big run'.

Accompanied by her childhood 'partner in crime', Skye, Peru skips town in hopes of starting a new life with her newfound wealth. However, she underestimates her boss's bloodthirsty desire for street vengeance. In a ruthless attempt to 'thank her' for her disloyalty, Grand hires Uno, his number-one assassin, to destroy Peru's utopian dreams of freedom from 'the life'. With Brooklyn behind them and guns blazing in all directions, the 'ladies of lam' hang on for dear life in this gritty, heart-pounding, action-packed crime drama. Hold on to your seats, as you are about to read one of the most powerful crime stories ever written.

Sergeant Corbin "Syn" Sydney hat sein ganzes Leben lang hart daran gearbeitet, der beste Detective zu werden. Als er die Chance bekommt, Teil der Atlanta Narcotics Task Force zu werden, ergreift er sie. Doch er war nicht auf die innige Beziehung seiner beiden Vorgesetzten vorbereitet: Lieutenant Cashel "God" Godfrey und Lieutenant Leonides Day. In dieser neuen Situation trifft er auf den langhaarigen, tätowierten Barkeeper Furious Barkley. Und noch bevor er begreift, was passiert, verliebt er sich Hals über Kopf. Und es sieht so aus, als würde Furious das gleiche empfinden. Doch zuerst muss Syn die Beweise finden, dass Furious kein Mörder ist und ihn gleichzeitig vor der Vergangenheit schützen, die ihn verfolgt. God, Day, Ronowski und Johnson – unterhaltsam wie immer. Und Syn und Furious ... zum Verlieben. Nothing Special Buch 2

The illegitimate son of an extremely noble man of extremely noble bloodline became the legend of the Another World's Dragon Resister through his own efforts.

Just finished her five year service and newly married. Saddam Husein provides Elizabeth Bekenbaum with an unexpected all expenses paid honeymoon to the deserts of Saudi Arabia Elizabeth has to prepare the base for the rest of the battalion and resist constant pressure from allies to put her small contingent of troops into action.

A mission to kill a traitor, becomes a mission to find answers. After more than 30 years of unrelenting service to his nation, Dimitriy, a cold blooded Russian assassin, faces a dilemma. After pulling the trigger for what seemed like the hundredth time, something felt different, it had to. After all, the man he had just killed was the very person he once called 'Brother.' While Dimitriy struggles to bury the ghosts of his past, a storm is brewing in Moscow, one that has the potential to tilt the global axis of power in ways unimaginable. Unaware of the secret being kept from him, he must once again, perhaps for the last time, answer the Motherland's call. The Old Enemies are set to wage war once again. Caught in the crossfire, is Dimitriy. Brotherhood, self, love or nation? He must choose.

WHEN DUTY, DEVOTION, AND DANGER CLASH, ONE CHOICE CAN CHANGE EVERYTHING. Max Pearce has trouble on his hands. Not only is the FBI investigating his motorcycle club, the Desert Eagles, for counterfeiting, he has a bar to run full-time and a marriage to save. He loves his wife, Amy, but he can't seem to get his priorities straight. Amy Seong is on the fence. Separated from Max, she's lonely and unsure if she should start dating again. Although she's met someone, Amy misses Max and can't fight her powerful connection to him. But what good is it being married to a man who never has time for his family. Maybe that's why their teenage son, Owen, has been extra moody lately. With a life changing parole hearing looming and Owen's new interest in girls and riding ATVs leaving her frazzled, Amy has to figure out her next step. And with his club under fire, the feds breathing down his neck, and his family in jeopardy, Max needs to get his priorities straight, or he'll lose everything he cares about, including the woman he loves. Max's club family and real family are at risk, but there's one thing he can do to change all that. Will he take the right step for all their sakes?

The year is 2650. Famine and a decline in resources cause all on earth to commit acts of barbarism. For sisters Ayria and Athena, their last hope of survival rests upon touring through uncharted lands in search of water and replenishment. However, their journey into the unknown thrusts them in the crosshairs of murderous marauders and straight into the mercy of a mysterious gunslinger whose strong stance on self-preservation may place their lives in danger. As their adventure takes them to new and hellish heights, they find a water source in a city controlled by the damned. Testament is an excursion to pandemonium and inches further into the dimensions of the imagination.

Lieutenant Anthony Sattill, head of Manhattans Crime Analysis Team, is assigned to investigate murders at the Neighborhood Financial & Legal Services. The case is very personal to Sattill because the wife of his best friend is one of the victims. The investigation starts with the murders at the storefront and wends its way to a rave, a street gang, the murder of a policewoman, a federal drug bust, and a beacon of hope to the downtrodden. Why do Sattill's superiors allow his team to be lead investigators in this case that is well beyond the scope of their usual role in the Department? How can the team find the clues that unlock the mystery of a crime that leads to other crimes that give rise to even more questions? With federal agencies stonewalling them, Sattill's team must connect diverse leads, disparate facts, and hidden meanings to reach the logical conclusion: that someone of great influence is behind these horrific events. As the team gets close to solving the case, evil lashes out until the final crime and its connection to the others reveals truth.

Desert Eagles tells the story of two American pilots who served in P-40 Kittyhawk fighterbomber squadrons in the desert air force in 1942 before, during and after the Battle of El Alamein.

Tamás Baroviski is one of the youngest agents to join the secretive and exclusive International Intelligence Agency when he embarks on an operation along the eastern coast of Russia. He is given strict instructions to cripple the sinister organization known as RITO. Lucky for him, he's not alone, as he travels with a team of fellow operatives, including a member of his own family. Soon, Tamás is deep undercover. He begins to closely observe one of his fellow agents, Forest Monatello, in the hopes of discovering whether Forest is actually a double agent working for RITO. Tamás is sidetracked by an attempt on his life—an attack by an unidentified assailant. His attacker seems to have almost superhuman strength, leaving nothing but mutilated bodies in his wake. In the meantime, Tamás fights the distraction of an attractive and alluring female agent. He is shot at, slashed with a sword, and even thrown into a near-fatal car crash.

POUND OF FLESH In the hostile new world of postnuclear America, there are many ways to die, but few are clean or quick. Long ago Ryan Cawdor and his band threw in their lot together—to do or die trying. It was a pact sealed in blood, one of selflessness and sacrifice that put a premium on the value of loyalty, friendship and honor—and the blind faith that survival is a better option than certain death. FEEDING FRENZY Compassion is a luxury in a brutal land where life is cheap, but Dr. Mildred Wyeth holds fast to her physician's oath to show mercy. Now she's stricken by a plague that brings on a deep craving for human flesh. Unwilling to lose one of their own to this pervasive pestilence without a fight, the companions follow the trail to Cajun country, where the mysterious queen of the Cannies is rumored to possess the only antidote to the grim fate that awaits Mildred... and perhaps her warrior friends.

The time is the present. The United States and Britain lead the coalition in the war with Iraq. The rest of the world still doubts the real threat of weapons of mass destruction. Meanwhile, another coalition prepares for the counter attack. But even this coalition does not realize that once the 'beast' is released, the welfare of the entire planet will be in jeopardy. Bob McCasland is a representative for an international company, who travels frequently to Mexico. His next trip is going to have an enormous impact on the life of his family and friends. W.P. Hargrove is the space shuttles commander who is more cowboy than astronaut. Soon, he is going to have one shot at saving the planet, and his friends in the space program. All of their lives will be affected by the outcome of the happenings in the Middle East. Will any of them make it home? Is there any possibility that this type of destruction could really happen in today's world?

Little Sera didnt know what life held for him. The only thing he knew, was that his beloved mother would always be there for him when he needed her. He didnt care for the looks of the city people, nor did he care for the gossip. But when tragedy befalls him, and the only thing he can turn to is his father, his world is forever changed. In a world where the economy has declined to an all time low, and religion has reached new heights in fanaticism, how will young Sera cope with their views on his appearance? What would you do if your "Rock" crumbled? What would you do if your only "Saving Grace" was also your "Condemning Feature"? What would you do, when you have to choose between a promise and your desires? Follow Young Seraphim as he deals with the consequences of his birth in the first installment in "The Puppeteer" Saga: Sedition and Devotion.

The Italian Army developed a sound and unique combined arms doctrine for mechanized warfare in 1938. This new doctrine was called the "War of Rapid Decision." It involved the use of mechanized

warfare in the Italian version of the blitzkrieg. This doctrine evolved from the lessons learned in the Italian-Ethiopian War of 1935 to 1936 and the Spanish Civil War of 1936-1939. With Italy's entry into World War II, military operations ensued along the Libyan-Egyptian border between the Italian 10th Army and a much smaller British Western Desert Force. The Italian Army in Libya outnumbered the British Army in Egypt by a ratio of four to one. The setting seemed to be ideal for the employment of the War of Rapid Decisions. Moreover, Marshal Rodolfo Graziani, who was the commander of the Italian 10th Army in North Africa during its first campaign in the western desert, had pioneered this new form of mechanized warfare during the Ethiopian War. Surprisingly, the Italian forces in Libya did not employ their new doctrine, reverting instead to more conventional techniques of "mass." It was Graziani's failure to utilize the doctrine which he had helped to develop that led to Italy's embarrassing defeat in 1941.

Paul is a man whose fondness for life on the edge turns his midlife crisis into a nuclear meltdown. Happy to leave his life behind in America, Paul boards a freighter bound for Panama with a backpack and a few thousand dollars, ready to conquer a new wilderness. With a boat, balls, and his newfound brothers, Paul-now calling himself Puma-leads a small but tight-knit group on a meteoric rise as a new criminal empire. With nothing left to lose, Puma operates with fearless abandon, further cementing his relationship as a member of Panamanian organized crime. While running guns and cocaine from the United States to Colombia and back to Panama, Puma transforms into a modern-day smuggler who soon becomes a blip on the CIA's radar screen. But Puma's path is about to take a new direction when, propelled by his desire to make a friend's dream come true, he steps in to make the biggest deal of his life. In this gripping thriller, a smuggler who gives himself freely to the winds of destiny's path and through God's mysterious ways finds his larger purpose-a seeker of justice for the defenseless, the forgotten, and the unavenged.

A fabulous fantasy thriller following on from DIAMOND EYES and HINDSIGHT... a woman who can see the past is caught up in a dangerous world of crime and betrayal Mira Chambers has an infallible talent for solving mysteries ... but using it always gets her into worse trouble. Having spent half her life in asylums, Mira discovers a sense of self-worth, finally, in helping victims of crime. When the matron who helped Mira to regain her independence is abducted, she attempts to save her with the help of ex-army lieutenant, Adam Lockman. But Freddie Leopard, a dangerous sociopath, tries to destroy Lockman's reputation... and Mira. Cut off and alone for the first time in her life, Mira is swept into a world of conspiracies and betrayals, where her dream of achieving a normal life is constantly thwarted by the far darker desires of her enemies. Layers of secrets unravel as her world falls apart - until the ultimate sacrifice presents a chance to save her friend and revisit her lost love in the 'echoes of yesterday.'

"This book covers information (life cycle, appearance, habitat) about the bald eagle. Each chapter discusses an aspect of the eagle's life, comparing the bird to a similar bird and to a very different bird."--

As an undercover agent for the FBI. Leon Brown takes the lead in the biggest drug case in US history, only to come to the horrifying realisation he has been fed a lie and his government has it's own devastating agenda. What should be the most rewarding assignment of his career becomes a time of self-realisation as lies, half-truths and heavily guarded secrets from his past are inexplicably linked with a conspiracy that could have devastating consequences for us all. The Desert Lion's True Colours - a trilogy, is our first introduction to Leon Brown as he returns to the streets of downtown Miami as the heir to his recently deceased father's empire.

Ever felt that you were always destined for something bigger? Well, that enigmatic feeling is the epitome of eighteen year old Dexter K. King. With a father who has mysteriously been missing for eight years and a mother barely ever seen at home, Dexter is an aspiring anomaly, yet forced to live a mundane and orthodox life thronged with attending high school classes he despises, silently observing his unrequited love from afar with no avail and no signs of progression, and practicing martial arts with a dream of using his strength to impact the world for the better and leave his legacy for history to teach the many generations to come. Suddenly, Dexter's perception of the world as well as his perception of himself violently crumbles before him when a couple of intimidating men in expensive suits visit his home, demanding that he reveals where his mother is. What would these kinds of men want with Dexter's mother? Well, it turns out that Dexter's father was really the leader of a powerful and ruthless criminal gang, and after recently dying, his remaining family must also be eradicated so their secrets can continue to be concealed-as noted in their organization's creed. So what does Dexter do to avoid the death of himself and his mother? He takes the place of his father and joins the gang of course! And thus, Dexter's metamorphic journey into the deep abyss known as fate begins. This road into oblivion is grave, instilled with murder, grief, regret and betrayal, and yet, this path is also infused with life, love, happiness, and the truth-two sides of the same coin. Welcome to the Okami, a pack of bloodthirsty wolves that reign over the underworld with staggering authority, a merciless band of warriors that claim power as their only divine ruler, a triumphant troupe of soldiers that create an orchestra of chaos and destruction wherever they choose to roam, and the leader of them all, Dexter King.

Joe Noone woke to painful ringing in his ears. His eyes stung and were crazy-glued shut. It felt like a team of surly Swedish furniture makers who lacked both the manual and universal handy tool were slowly rebuilding his mind. They erected shelves at gross angles that eventually came toppling down with a crash. His stomach lurched. Joe groaned and reached out in anguish to find something to hang on to. His hand brushed over the console of his security station. "Oh, God." Suddenly he realized where he was. Work. Drunk. Again Joe Noone is a young, alcoholic security guard entering the fifth year of his mostly exemplary employment at the American headquarters of multinational conglomerate VirCorp. After passing out one night on the job, he wakes to find he's lost a day of his life-and his job. Gathering steam to plead his case before the head of personnel, Joe finds himself a pawn in a sinister plot within the Byzantine world of corporate politics that seeks to upset the balance of power of not only VirCorp, but of society itself. Between employment and enslavement, chases and escapes, unscrupulous executives and crocus plants (affectionately named Dennis), author Scott Walldren's exciting debut novel Human Resources is a comedic portrayal of a world that is quickly evolving.

My whole life has been nothing but drama. I eat drama! I sleep, dreaming about drama! I bathe in drama! Drama seems to be my best friend. I never wanted this life for me. Just like every normal person I wanted a peaceful life. I wanted a husband and some kids. I wanted that house with the three bedrooms and a white picket fence. Unfortunately, that life didn't want me. Every time I tried to turn my back on drama, walk away from it all; drama grabbed me by my throat and squeezed me back into submission. Since drama wanted me in this life. Grace had to die so Drama could be born! Besides, Grace needed to handle one last thing and Drama was best equipped to get the job done. I was handed this life of mayhem and I was going to ride the

stream until I die! I ran all the Drug Trade for New York's five boroughs and I refused to rule it with a girl's hand. I was going to rule it like a Lion King controlling his Pride. Not Grace Lee, but Drama the female Don Dada! Sit back, kick up those feet, and watch me work!

It was through a secret lap, controled by a sudo-governemt group that wanted to speed up the evelution of the human race that Jen and her team were exposed to something that changed them and awakened their special abilities. Jen or Jennifer to those that weren't close to her had been hoping for a new start. She never dreamt her new life would lead her in such an unbelievable way. Standing at her self-imposed post, scanning the area, using her gifts, to make sure those she cared for were safe.

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Welcome to the golden triangle—a gateway of sorts to hidden worlds so much like our own with unique differences that are wholly theirs. Some have termed it parallel worlds or a multiverse; others have named it the island universe theory. The golden triangle is a hidden doorway to all these and so much more. Not found on any map and seemingly nomadic, the triangle is almost sentient, avoiding all eyes that search for it as few have tried to locate it, yet no one have been successful. Until now. The golden triangle has now opened again and chosen you as the witness. Step forward and don't be alarmed. The triangle wishes to show you something, and now all you can do is be swept along the currents and bear witness to all you see.

Tyrone is released from serving his time in jail only to find that the demons he left on the streets are still there. Big Fee Fee and his nephew B still has a hit out on him for the things he done to the leader of the 69th mob. Will Tyrone survive? Maybe. Or maybe not.

A history of the United States Army's 101st Airborne Division, from its establishment as a parachute unit in 1942 to the helicopter assaults of Vietnam to the massive airlift during the 1991 Persian Gulf War, focusing on the uniforms and equipment.
