

Grande Buffo Una Merenda Tremenda

The son of the emperor of China is pale and weak, but when Doctor Me Di Cin tells him to go for a walk in the fresh air, the prince refuses, leaving it up to the clever doctor to trick him into going outside.

A collection of talks, workshops, lectures and conference pieces ... which were recorded at the time before being written by Fo's wife and collaborator Franca Rame (from introduction).

L'orsa Grande non ha mai fatto un pupazzo di neve. Nemmeno il coniglio Buffo, se è per questo... ma vuole che il suo sia il più bello di tutti. Tra valanghe e lupi affamati, Buffo capirà in fretta quanto si importante l'amicizia e avere al proprio fianco chi ti vuole bene. Una storia di amicizia, palle di neve e... appena un po' di cacca. "Diventerà subito un classico moderno. Esilarante, sfacciato, delizioso". Eoin Colfer

This carefully crafted ebook: "BRAVE NEW WORLD" is formatted for your eReader with a functional and detailed table of contents. Set in London in the year AF 632 (2540 AD) this political and dystopian science fiction novel, paints a chilling picture of a consumerist society where being a misfit spells utter doom for a person. Here assisted reproductive technologies, mindless sex and orgies, and guided rules for expressing of human emotions reduce relationships to mechanical farces. Written in 1931, the novel is still relevant today and more so because, as Huxley mentioned in "Brave New World Revisited", our real world is turning into the world of the novel much faster than we originally thought! Aldous Huxley (1894–1963) was an English writer, novelist, philosopher, humanist, pacifist, and satirist. He later became interested in spiritual subjects such as parapsychology and philosophical mysticism. By the end of his life, Huxley was widely acknowledged as one of the pre-eminent intellectuals of his time. He was nominated for the Nobel Prize in Literature in seven different years.

11 September 1683, Rome. The citizens of the city wait anxiously for the outcome of the battle for Vienna as Ottoman forces lay siege to the defenders of Catholic Europe. Meanwhile, a suspected outbreak of plague causes a famous Roman tavern to be placed under quarantine. One of its detainees, the mysterious Atto Melani, a spy in the service of France, discovers a secret passage leading deep into the Roman underworld. A plot to assassinate the pope and plans to use the plague as a weapon of mass destruction in the battle between Islam and the West are discovered. Meticulously researched and brilliantly conceived, *Imprimatur* contains startling revelations that have been concealed for centuries, drawing on original papers discovered in the Vatican archives. A thriller in the vein of Umberto Eco's *The Name of the Rose*, this novel sheds new light on the power struggles of 17th-century Europe, the repercussions of which are still felt today. First published to great controversy in Italy in 2002, *Imprimatur* was boycotted by the Italian press and publishing world. Despite this, the novel has gained European bestseller status; it has been translated into 20 languages with editions published in 45 countries. Over 1 million copies have been sold to date.

"For the first time, this beloved holiday story is told based on George Balanchine's quintessential production. The storyline mimics the choreography of the famous ballet and the illustrations are inspired by the backdrops and scenery from the actual New York City Ballet production"--

A new edition of this classic title.

Nazi Wives is a fascinating look at the personal lives, psychological profiles, and marriages of the wives of officers in Hitler's inner circle. Goering, Goebbels, Himmler, Heydrich, Hess, Bormann—names synonymous with power and influence in the Third Reich. Perhaps less familiar are Carin, Emmy, Magda, Margaret, Lina, Ilse and Gerda... These are the women behind the infamous men—complex individuals with distinctive personalities who were captivated by Hitler and whose everyday lives were governed

by Nazi ideology. Throughout the rise and fall of Nazism these women loved and lost, raised families and quarreled with their husbands and each other, all the while jostling for position with the Fuhrer himself. Until now, they have been treated as minor characters, their significance ignored, as if they were unaware of their husbands' murderous acts, despite the evidence that was all around them: the stolen art on their walls, the slave labor in their homes, and the produce grown in concentration camps on their tables. James Wyllie's *Nazi Wives* explores these women in detail for the first time, skillfully interweaving their stories through years of struggle, power, decline and destruction into the post-war twilight of denial and delusion.

Alex D., consumed by a restless unanswered longing, ditches school to drink and trade stories with his posse of delinquents until he meets Aidi who, unfortunately, is leaving for a year in America at the end of the summer

Humour found in audiovisual products is, of course, performative in nature. If we consider instances of humour - any droll moment occurring in today's fare of mixed-genre products as a composite of cognition, emotion, interaction and expression - we see that the verbal code becomes just one component of four equally significant elements. And, as 'expression' is not limited to verbal output alone, humour may of course be created in absence of a verbal code. Translating humour for audiovisuals is not too different from translating verbal humour tout court. What makes humour occurring within audiovisual texts more problematic is the fact that it may be visually anchored; in other words a gag or a joke may pivot on verbal content directed at a specific element that is present within the graphic system of the same text. As the term itself suggests, audiovisuals contain two overlying structures: a visual and an auditory channel each of which contain a series of both verbal and non-verbal elements which inextricably cross-cut one another. The contributors in this collection of essays present a series of case studies from films and video-games exemplifying problems and solutions to audiovisual humour in the dubs and subs in a variety of language combinations.

Winner of the Premio Strega, Italy's most prestigious literary award, *The Faithful Lover* is a sumptuously imagined collection by one of the twentieth century's most renowned writers. Eclectic and astute, these remarkable stories show us that the border between this world and the out-of-this-world may be more permeable than we think. In *Encounter*, a young man eavesdrops on a pair of ghostly lovers, while in *Lights*, the whisperings of a mysterious voice steer the unnamed narrator towards an elusive destination. Other stories are grounded in the everyday, showcasing the incisive mix of tragedy and comedy that is central to Bontempelli's work. The upside of insanity creates a moral dilemma for a loving mother in *Empress*, while in *Octogenarian*, an elderly woman summons her family to her deathbed for one final, hilarious domestic dispute. The title story pokes brutal fun at the narrators' fleeting affections, and in the renowned novella *Water*, an ethereal young woman's innocence wrecks havoc on a host of admirers. This is a breathtakingly elegant and unsentimental collection.

Bontempelli challenges our view of the world by looking beyond the old ideas to a startling truth, a way of seeing that is an unwavering source of joy and surprise.

Praise for Ben Pastor's *Lumen*: "Pastor's plot is well crafted, her prose sharp. . . . A disturbing mix of detection and reflection."—*Publishers Weekly* "Rivets the reader with its twist of historical realities. A historical piece, it faithfully reproduces the grim canvas

of war. A character study, it captures the thoughts and actions of real people, not stereotypes.”—The Free Lance-Star “And don’t miss Lumen by Ben Pastor. . . . An interesting, original, and melancholy tale.”—Literary Review Italy, September 1943. The Italian government switches sides and declares war on Germany. The north of Italy is controlled by the fascist puppets of Germany; the south liberated by Allied forces fighting their way up the peninsula. Having survived hell on the Russian front, Wehrmacht major and aristocrat Baron Martin von Bora is sent to Verona. He is ordered to investigate the murder of a prominent local fascist: a bizarre death threatening to discredit the regime’s public image. The prime suspect is the victim’s twenty-eight-year-old widow Clara. Haunted by his record of opposition to SS policies in Russia, Bora must watch his step. Against the backdrop of relentless anti-partisan warfare and the tragedy of the Holocaust, a breathless chase begins. Ben Pastor, born and now back in Italy, lived for thirty years in the United States, working as a university professor in Vermont. The first in the Martin Bora series, Lumen, was published by Bitter Lemon Press in May 2011.

Inspired by the real psychology study popularized by the New York Times and its "Modern Love" column, this contemporary YA is perfect for fans of Eleanor and Park. Two random strangers. Two secrets. Thirty-six questions to make them fall in love. Hildy and Paul each have their own reasons for joining the university psychology study that asks the simple question: Can love be engineered? The study consists of 36 questions, ranging from "What is your most terrible memory?" to "When did you last sing to yourself?" By the time Hildy and Paul have made it to the end of the questionnaire, they've laughed and cried and lied and thrown things and run away and come back and driven each other almost crazy. They've also each discovered the painful secret the other was trying so hard to hide. But have they fallen in love? Told in the language of modern romance -- texting, Q&A, IM -- and punctuated by Paul's sketches, this clever high-concept YA is full of humor and heart. As soon as you've finished reading, you'll be searching for your own stranger to ask the 36 questions. Maybe you'll even fall in love. Rights have sold in 19 territories!

From the bestselling author of *I Didn't Do My Homework Because...* comes an irresistible meditation on the quest for connection. When an elephant falls in love, he does many foolish things. He hides when the elephant-object of his affection is around. He writes dozens of letters that he will never send. And he tries to be healthy, but ends up finishing the cheesecake. This soulful book is at once relatable and revealing, a reminder that love is worth striving for, and that the very best things in life will come to those who wait. Plus, this is the fixed format version, which looks almost identical to the print edition.

Magnificent, hand-painted illustrations by a rising star of Czech watercolor illustration--perfect for beginning painters! Nature is teeming with incredible colors. But have you ever wondered how the colors green, yellow, pink or blue might taste or smell? What could they sound like? Or what would they feel like if you touched them? Nature's colors are so wonderful and diverse they inspired people to use the names of plants, animals, and minerals when labelling all the nuances. Join us on a journey to discover the twelve most well-known colors and their shades. You will learn that the colors and elements you find in nature are often closely connected. Will you be able to find all the links in each chapter? And if you are an aspiring artist, take our course at the end of the book and you'll be able to paint as exquisitely as nature itself does!

A tender, humorous and compelling tale of Viking adventure by multi-award-winning author Neil Gaiman.

Rabbit and Bear must find out who's uprooted not only their favorite trees, but their entire homes in another enchanting tale from creative geniuses Julian Gough and Jim Field. When Rabbit and Bear discover a new creature in the forest and learn about his plans for "progress," the comical pair—along with the rest of the excitable residents—have a thing or two to say about the matter. An endearing lesson on the wise mathematics of friendship, this charming follow-up to *The Pest in the Nest* is a hysterical addition to this beloved series.

From Susan Vreeland, bestselling author of such acclaimed novels as *Girl in Hyacinth Blue*, *Luncheon of the Boating Party*, and *Clara and Mr. Tiffany*, comes a richly imagined story of a woman's awakening in the south of Vichy France—to the power of art, to the beauty of provincial life, and to love in the midst of war. In 1937, young Lisette Roux and her husband, André, move from Paris to a village in Provence to care for André's grandfather Pascal. Lisette regrets having to give up her dream of becoming a gallery apprentice and longs for the comforts and sophistication of Paris. But as she soon discovers, the hilltop town is rich with unexpected pleasures. Pascal once worked in the nearby ochre mines and later became a pigment salesman and frame maker; while selling his pigments in Paris, he befriended Pissarro and Cézanne, some of whose paintings he received in trade for his frames. Pascal begins to tutor Lisette in both art and life, allowing her to see his small collection of paintings and the Provençal landscape itself in a new light. Inspired by Pascal's advice to "Do the important things first," Lisette begins a list of vows to herself (#4. Learn what makes a painting great). When war breaks out, André goes off to the front, but not before hiding Pascal's paintings to keep them from the Nazis' reach. With German forces spreading

across Europe, the sudden fall of Paris, and the rise of Vichy France, Lisette sets out to locate the paintings (#11. Find the paintings in my lifetime). Her search takes her through the stunning French countryside, where she befriends Marc and Bella Chagall, who are in hiding before their flight to America, and acquaints her with the land, her neighbors, and even herself in ways she never dreamed possible. Through joy and tragedy, occupation and liberation, small acts of kindness and great acts of courage, Lisette learns to forgive the past, to live robustly, and to love again. Praise for Lisette's List "Vreeland's love of painters and painting, her meticulous research and pitch-perfect descriptive talents . . . are abundantly evident in her new novel."—The Washington Post "This historical novel's . . . great strength is its lovingly detailed setting. . . . Readers will enjoy lingering in the sun-dappled, fruit-scented Provençal landscape that Vreeland brings to life."—The Boston Globe

«PACE E TRANQUILLITÀ!» strilla Buffo. «NON DESIDERO ALTRO». È impossibile riposare, con l'orsa Grande che russa alla grande nella tana e un picchio che non smette di fare TUC! TUC! TUC! sull'albero. Basta, il coniglio Buffo decide di AGIRE. Si ritrova così lassù, tra i rami che ondeggiano al vento, e impara da Grande che si può guardare il mondo in maniera differente. E persino sorridere! Una storia sull'amicizia, sulla saggezza e su come essere MOLTO RUMOROSI.

SPLASH! Una Cosa Misteriosa precipita nelle acque tranquille del laghetto di Grande e Buffo. È l'inizio di una piccola avventura o di un gran pasticcio? Dal cielo è piombato un tremendo pericolo o un nuovo amico? Buffo è certo di potersela cavare da solo, ma senza volerlo trasforma il giorno più bello di sempre in uno più brutto che mai e deve chiedere aiuto all'amica Grande per rimettere a posto le cose. Una favola che ha molto da insegnare sull'amicizia e sui pregiudizi... oltre che sugli usi della cacca al mirtillo.

When the novel *Brave New World* first appeared in 1932, its shocking analysis of a scientific dictatorship seemed a projection into the remote future. Here, in one of the most important and fascinating books of his career, Aldous Huxley uses his tremendous knowledge of human relations to compare the modern-day world with his prophetic fantasy. He scrutinizes threats to humanity, such as overpopulation, propaganda, and chemical persuasion, and explains why we have found it virtually impossible to avoid them. *Brave New World Revisited* is a trenchant plea that humankind should educate itself for freedom before it is too late.

From its very first contact with the West, India has been subject to great mystification. India's long history, the survival of ancient rituals, and its variety of languages and cultures, continues to fascinate. This narrative is intertwined with a newer one that sees the frenetic change of a society at the forefront of innovation. Success stories coexist alongside stories of daily struggle. A large slice of the population still does not have access to drinking water, and agriculture (still the main source of livelihood for most of the 1.3 billion people who live there) is threatened by climate change. India is a country that does not know how to eradicate one of the most infamous forms of classism/racism: the caste system. From the resistance of the Kashmiri people to that of atheists – hated by all religious communities – from the dances of the 'hijra' in Koovagam to the success of the female wrestler Vinesh Phogat, learn about the contradictory, terrible and joyful chaos that lies at the heart of India.

In the explosive finale to the epic romantic saga, Bella has one final choice to make. Should she stay mortal and strengthen her connection to the werewolves, or leave it all behind to become a vampire? When you loved the one who was killing you, it left you no options. How could you run, how could you fight, when doing so would hurt that beloved one? If your life was all you had to give, how could you not give it? If it was someone you truly loved? To be irrevocably in love with a vampire is both fantasy and nightmare woven into a dangerously heightened reality for Bella Swan. Pulled in one direction by her intense passion for Edward Cullen, and in another by her profound connection to werewolf Jacob Black, a tumultuous year of temptation, loss, and strife have led her to the ultimate turning point. Her imminent choice to either join the dark but seductive world of immortals or to pursue a fully human life has become the thread from which the fates of two tribes hangs. This astonishing, breathlessly anticipated conclusion to the Twilight Saga illuminates the secrets and mysteries of this spellbinding romantic epic. It's here! #1 bestselling author Stephenie Meyer makes a triumphant return to the world of Twilight with the highly anticipated companion, Midnight Sun: the iconic love story of Bella and Edward told from the vampire's point of view. "People do not want to just read Meyer's books; they want to climb inside them and live there." -- Time "A literary phenomenon." -- The New York Times

National Book Award Nominee: "Somehow both genuinely scary and genuinely funny, sometimes on the same page—a wickedly entertaining ride."—Publishers Weekly (starred review) One of Publishers Weekly's Best Books of the Year

On the outskirts of Buenos Aires in 1907, a doctor becomes involved in a misguided experiment that investigates the threshold between life and death. One hundred years later, a celebrated artist goes to extremes in search of aesthetic transformation, turning himself into an art object. How far are we willing to go, this novel asks, in pursuit of transcendence? The world of Comemadre is full of vulgarity, excess, and discomfort:

strange ants that form almost perfect circles, missing body parts, obsessive love affairs, and man-eating plants. Darkly funny, smart, and engrossing, here the monstrous is not alien, but the consequence of our relentless pursuit of collective and personal progress. “Outrageous...insanely funny.”—BOMB “In this dark, dense, surprisingly short debut novel by the Argentinian author, we’re confronted with enough grotesqueries to fill a couple Terry Gilliam films and, more importantly, with the idea that the only real monsters are those that are formed out of our own ambition.” —The Millions
