If you are a Private Employer or Private Service Professional you absolutely must know the "inside information" in this book. Almost every employer and job seeker we encounter is making mistakes they just don't know about or even realize they are doing! If you are concerned about "doing it right" then you'll want to dive in and learn all the ways both parties may be miscommunicating, being inappropriate, or more seriously, "shooting themselves in the foot" when engaging in the employment process. With an extensive table of contents you'll have quick access to sections and tips for both job seekers and employers. Many topics are extremely detailed and supplemented by stories and profiles from Private Service Professionals, agency experts, and other related professionals in the industry. The guide is rich with practical knowledge gleaned over a dozen years of trial and error in the staffing process, hearing the complaints and praises from both employers and job seekers in private service. The first section explores the private service industry and the main household staff positions with current job descriptions, salary ranges, and related details about the role. Second is the in-depth coverage of looking for work in private service, conducting a search, dealing with agencies, and specific do's and don'ts with all aspects of your presentation and conduct throughout the process. Last is the very candid Private Employer's section with lots of frank discussion and revelations about the search and employment process when seeking help. The Insider's Guide to Household Staffing is an invaluable resource for everyone involved in the private employment process. With tips and secrets from a variety of industry "insiders" you'll learn critical do's and don'ts for getting through the hiring phase of private service. This is a direct and honest guide with straight talk and specific examples of errors to avoid, how to conduct all phases of the search, and best practices for success. Though the guide speaks mainly to those already involved with private service, newcomers will have a distinct peak behind the scenes and gain valuable understanding of how to approach the many aspects of their future job search. The stories and profiles alone are worth the read. Ours is a fascinating, unique niche of the service employment world, and the Insider's Guide to Household Staffing offers a close-up view of the employer-employee meeting place.

The Scotland conference at which these 21 papers were originally presented was delayed by the coup in Russia, underscoring the volatile relationship of politics and economics which has been fueled by rapid market growth in Eastern Europe and the touting of privatization as the solution for reviving prosperity. These contributors critically examine such assumptions in the areas of ownership, performance, regulation, and privatization strategies in the UK, New Zealand, Japan, Hungary, Poland, Russia, Malaysia, and Tanzania. Not surprisingly, the conclusions regarding private sector efficiency and effectiveness are as varied as the political stabilities in each country.

This book is a careers bible fit for today's job market, with exclusive advice and guidance from some of the biggest names in British business. No matter what stage of life one is at, whether a school leaver, university graduate or job changer, finding the right career to suit one's skills and characteristics has never been more challenging. The amount of choice and information can be daunting. Most of us only have a vague idea of what careers really entail on a day-to-day basis and yet that information could steer one towards - or away - from a job or university course. In this book Lucy Tobin has compiled an inspirational guide to the most popular jobs and careers in the UK, giving the inside scoop on what these jobs are really like day-to-day, what skills recruiters are really looking for and what courses to study to get your foot in the door. Jobs covered include: banker, actuary, publisher, fashion designer, barrister, zookeeper, chef, TV presenter, actor, journalist, civil servant, app developer, architect, engineer and psychologist. Lucy's journalistic approach, together with exclusive interviews with chef Antonio Carluccio, designer Kelly Hoppen, Dragon Den's James Caan, astronaut Tim Peake, footballer Michael Owen, author Tracy Chevalier and entrepreneur Jamal Edwards makes The Book of Jobs the careers guide to trust at every stage of life.

The hardest part of finding a new job - as with most things - is getting started. The Insider's Guide to Your Dream Career will not only get you started quickly and efficiently but will help you to determine exactly where you want to land. With this book, you will no longer feel the need to accept the first offer you receive. Written by a seasoned recruiting leader, this guide goes beyond job hunting basics to provide candidates with specific, effective strategies to get noticed. With a straight-forward approach, Eric Knott reveals the tactics clever job seekers use to stand-out from the crowd and gain access to recruiters and hiring managers. .
