

## Love As A Way Of Life By Gary Chapman

Walk the path of love with one of the warmest, most beloved spiritual leaders of our time, and learn how to put faith into action. As the descendant of slaves and the son of a civil rights activist, Bishop Michael Curry's life illustrates massive changes in our times. Much of the world met Bishop Curry when he delivered his sermon on the redemptive power of love at the royal wedding of Prince Harry and Meghan Markle at Windsor Castle. Here, he expands on his message of hope in an inspirational road map for living the way of love, illuminated with moving lessons from his own life. Through the prism of his faith, ancestry, and personal journey, *Love Is the Way* shows us how America came this far and, more important, how to go a whole lot further. The way of love is essential for addressing the seemingly insurmountable challenges facing the world today: poverty, racism, selfishness, deep ideological divisions, competing claims to speak for God. This book will lead readers to discover the gifts they need in order to live the way of love: deep reservoirs of hope and resilience, simple wisdom, the discipline of nonviolence, and unshakable regard for human dignity.

"My way is one that is full of confidence and love." —St. Thérèse of Lisieux Through her autobiography and an extensive collection of letters, St. Thérèse helped people understand nothing was too little to give Jesus, and nothing done out of love for him was insignificant. Perhaps this is why so many lives still resonate with hers. It is easy to feel insignificant and unimportant. Yet, the clear and compelling language of her story and her letters remains the perfect antidote to such feelings. Fr. Gary Caster writes, "While the language she uses might be new to you, the insights she offers are as eternal as the God who loves us and longs for each of us to be united with him, in the Son, through the Holy Spirit, for all eternity." These inspiring words from her writings have been selected and arranged according to important themes of the spiritual life: confidence, holiness, humility, abandonment, obedience, the love of God, mercy, charity, and suffering. Her devotion to Jesus, Mary, and the Eucharist shine through all of her writings.

St. Thérèse of Lisieux sought a new way to Heaven: "a little way that is quite straight, quite short: a completely new little way." Blessed with personal limitations that might have discouraged another, Thérèse believed God would not have given her a desire for holiness if He did not intend for her to achieve it. She learned to humbly accept herself as she was and trust completely in God's love. First given as a retreat by renowned author Father Jacques Philippe, *The Way of Trust and Love* navigates excerpts of St. Thérèse's writings phrase by phrase, extracting powerful, resonating insights. To Thérèse, the journey seemed "little" as she traveled it. A hundred and fifteen years after her death, the message of the young saint and Doctor of the Church has traveled around the world inspiring millions. With this newly translated study of her spirituality, many today will rediscover—or find for the first time—the relevance of "the little way," in all seasons of life. Fr. Jacques Philippe is well-known for his books on prayer and spirituality. A member of the Community of the Beatitudes, he regularly preaches retreats in France and abroad. He also spends much of his time giving spiritual direction and working for the development of the Community in Asia and Oceania where he travels frequently. View Fr. "Why are so many of us at times completely baffled by a relationship? How can we think we know someone so well and admit in the end that we hardly knew that person at all? Why do many people who work diligently and strenuously to gain wholeness and balance still feel so frustrated about having a fulfilling relationship? Why have so many people given up on love?"—from the Prologue John Bradshaw's bestselling books and compelling PBS series have touched and changed millions of lives. Now, in *Creating Love*, he offers us a new way to understand our most crucial relationships—with our romantic partners and spouses, with our parents and children, with friends and co-workers, with ourselves, and with God. Bradshaw's passionate approach shows that many of us have been literally "entranced" by past experiences of counterfeit love, so we unknowingly re-create patterns that can never fulfill us. Here he provides both the insights and the precise tools we need to keep those destructive patterns from repeating in the present. And then he shows how we can open ourselves to the soul-building work of real love—and create healthy, loving relationships where we can be fully ourselves in every part of our lives.

Words and illustrations describe the tender, happy feeling that is called love.

The acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation," *All About Love* is a revelation about what causes a polarized society and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

In 'Another Way of Looking at Love', the landscape is explored as a metaphor to consider the personal, societal, and environmental consequences of disconnection, and simultaneously, our yearning to be connected. From 2015-2018, Janelle Lynch (born 1969) has used an 8 x 10 camera to create still lives in the landscape that combine similar and disparate visual and biological elements. This process begins by identifying details in nature that, based on a unique vantage point, created geometric formations of closure.

The connective point, or nucleus, that is created by the union becomes the artist's plane of focus. The work is informed by Lynch's recent immersion in drawing and painting from perception, primarily by charcoal mark-making—a new aspect of her practice that has allowed for a deeper inquiry into the nature of seeing, such as: formal abstraction, color relativity, and the notion of relationality.

Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me Forever: Marriage in Light of Eternity will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, You and Me Forever will help you discover the adventure that you were made for and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. In this lyrical, exuberant tale, acclaimed Turkish author Elif Shafak, author of *The Island of Missing Trees* (a Reese's Book Club Pick), incarnates Rumi's timeless message of love. *The Forty Rules of Love* unfolds two tantalizing parallel narratives—one contemporary and the other set in the thirteenth century, when Rumi encountered his spiritual mentor, the whirling dervish known as Shams of Tabriz—that together explore the enduring power of Rumi's work. Ella Rubenstein is forty years old and unhappily married when she takes a job as a reader for a literary agent. Her first assignment is to read and report on *Sweet Blasphemy*, a novel written by a man named Aziz Zahara. Ella is mesmerized by his tale of Shams's search for Rumi and the dervish's role in transforming the successful but unhappy cleric into a committed mystic, passionate poet, and advocate of love. She is also taken with Shams's lessons, or rules, that offer insight into an ancient philosophy based on the unity of all people and religions, and the presence of love in each and every one of us. As she reads on, she realizes that Rumi's story mirrors her own and that Zahara—like Shams—has come to set her free.

Each day involves countless interactions with others—not only among family and friends but also with neighbors, coworkers, even telephone solicitors. An attitude of love may not be your top priority in some of these encounters. But what if the ancient maxim "love your neighbor as yourself" applied to everyone, including those you meet in the most ordinary circumstances? By giving love, instead of grabbing for it, you'll become the person others want to love in return, no matter what their role in your life. Relationship expert Dr. Gary Chapman applies the seven characteristics of authentic love to family life, friendship, the workplace, and beyond. Eye-opening personal assessments uncover relational strengths and weaknesses, while real-life stories and ideas for building habits of love will inspire you to grow into the complete person you were meant/created to be. Capture a vision that will transform your relationships and make your corner of the world a better place—by choosing *Love As a Way of Life*. Includes questions for personal reflection or group discussion.

As he revolutionized traditional teaching on hell in the phenomenal New York Times bestseller *Love Wins*, Rob Bell now transforms how we understand and practice marriage in *The Zimzum of Love*, co-written with his wife, Kristen. Despite the divorce statistics, people are still committing to each other, instinctively believing and hoping that theirs is a sacred union that will last forever. Yet when these couples encounter problems, they often lack the resources that keep them connected to this greater mystery surrounding marriage. Rob and Kristen Bell introduce a startling new way of looking at marriage, *The Zimzum of Love*. Zimzum is a Hebrew term where God, in order to have a relationship with the world, contracts, creating space for the creation to exist. In marriage, zimzum is the dynamic energy field between two partners, in which each person contracts to allow the other to flourish. Mastering this field, this give and take of energy, is the secret to what makes marriage flourish. Rob and Kristen Bell are brutally honest about their own struggles, their ups and downs, as together they pass along what matters most for couples. In this wise book, they explore the secret of what makes a happy union—probing the mystery at the heart of the extraordinary emotional connection that binds two people. With his down-to-earth charm, a dose of whimsy, and memorable stories, Rob, writing with his wife Kristen, changes how we consider marriage, providing insight that can help all of us create satisfying and sacred unions of our own.

Keeping your love on. It's a hard thing to do. Sometimes it's the hardest thing to do. But if you want to build healthy relationships with God and others, learning to keep your love on is non-negotiable. Adults and children alike thrive in healthy relationships where it is safe to love and be loved, to know and be known. Yet for many, relationships are anything but safe, loving, or intimate. They are defined by anxiety, manipulation, control, and conflict. The reason is that most people have never been trained to be powerful enough to keep their love on in the face of mistakes, pain, and fear. *Keep Your Love On* reveals the higher, Jesus-focused standard defined by mature love—love that stays 'on' no matter what. Danny Silk's practical examples and poignant stories will leave you with the power to draw healthy boundaries, communicate in love, and ultimately protect your connections so you can love against all odds. As a result, your relationships will be radically transformed for eternity. When you learn to keep your love on, you become like Jesus. -- Danny Silk

In thirty-one meditations, the author implores his readers to break through illusion, the great obstacle to love.

Francis of Assisi is one of the most beloved of all saints. Both traditional and entirely revolutionary, he was a paradox. He was at once down to earth and reaching toward heaven, grounded in the rich history of the Church while moving toward a new understanding of the world beyond. Globally recognized as an ecumenical teacher, Richard Rohr started out—and remains—a Franciscan friar. The loving, inclusive life and preaching of Francis of Assisi make him a recognizable and beloved saint across many faith traditions. He was, as Rohr notes, "a master of 'making room for it' and letting go of that which was tired or empty." Francis found an "alternative way" to follow Jesus, one that disregarded power and privilege and held fast to the narrow path of the Gospel. Rohr helps us look beyond the birdbath image of the saint to remind us of the long tradition founded on his revolutionary, radical, and life-changing embrace of the

teachings of Jesus. Rohr draws on Scripture, insights from psychology, and literary and artistic references, to weave together an understanding of the tradition as first practiced by St. Francis. Rohr shows how his own innovative theology is firmly grounded in the life and teaching of this great saint and provides a perspective on how his alternative path to the divine can deepen and enrich our spiritual lives. An inspirational course on the spiritual life focuses on the theme of awareness, discussing the issues of change, suffering, and loss, and explaining how to cope with one's emotions

Everyone wants to be loved--to find someone who will stick with them through all of life's ups and downs, someone who is in it for the long haul. But in a world where dating is increasingly based on split-second decisions and geared toward casual relationships rather than marriage, it's easy for single people to feel discouraged, used, or unworthy of true love and lasting affection. Reality just never seems to match up with our (often wildly unrealistic) expectations. Jonathan "JP" Pokluda has counseled thousands of young singles through the pain and heartbreak of dating the world's way. Now he wants to dispel the myths, misconceptions, and fairy tales you've believed about dating and replace them with the truth from the One who invented marriage, created you to crave relationship, and is the very embodiment of true love. With plenty of true stories about relationships healed and love found, this practical book explains God's purposes for singleness, dating, and marriage and covers why you should date, who you should date, and how you should date. If you're ready to trade the world's way of dating for the way that actually works, it's time to begin dating well.

**NATIONAL BESTSELLER - SOON TO BE A MAJOR MOTION PICTURE** starring Abigail Cowen, Tom Lewis, Nina Dobrev, with Logan Marshall Green and Eric Dane, special appearance by Famke Janssen. Distributed by Universal Pictures with a screenplay by Francine Rivers and D.J. Caruso. California's gold country, 1850. A time when men sold their souls for a bag of gold and women sold their bodies for a place to sleep. Angel expects nothing from men but betrayal. Sold into prostitution as a child, she survives by keeping her hatred alive. And what she hates most are the men who use her, leaving her empty and dead inside. Then she meets Michael Hosea, a man who seeks his Father's heart in everything. Michael obeys God's call to marry Angel and to love her unconditionally. Slowly, day by day, he defies Angel's every bitter expectation, until despite her resistance, her frozen heart begins to thaw. But with her unexpected softening comes overwhelming feelings of unworthiness and fear. And so Angel runs. Back to the darkness, away from her husband's pursuing love, terrified of the truth she no longer can deny: her final healing must come from the One who loves her even more than Michael does . . . the One who will never let her go. A powerful retelling of the story of Gomer and Hosea, *Redeeming Love* is a life-changing story of God's unconditional, redemptive, all-consuming love. Includes a six-part reading group guide!

Some days are brighter than others, but Penelope Finnel has been taught she can be invisible behind the colored lenses of her heart-shaped sunglasses. Her mind is her worst enemy, and simply waking up in the morning is risky. For a kid like her, staying in bed is easier, especially when the day has come to start school in a new town with new kids who don't understand that the clouds are not the only reason everything is so gloomy. Dillon Decker is a typical boy from a typical small town who radiates light and happiness. Under the hovering glare from her father, Dillon leads Penelope around on his bicycle's handlebars, hoping he is the cure to her madness. But when friend turns to lover, and lover turns to caretaker, how much can either of them tolerate before they're swallowed whole? A story about moving trucks and rollerblades, candy for smiles, and notes across lawns. First loves and the struggle to keep it sane. The true love way.

Let go of unhealthy relationships with the book that more than 850K people have trusted. Best-selling doctors, Hemfelt, Minirth, and Meier, walk you through their ten proven stages to recovery from codependency that results from external circumstances. Humans are susceptible to codependency because of our sinful tendency to use defense mechanisms to fool ourselves. In codependent relationships, deceitful games are played, and important Christian principles are often taken out of context and abused. God wants us to have healthy relationships with a balance between being dependent and independent. The doctors describe how the most effective means of overcoming codependent relationships is to establish or deepen a relationship with Christ Himself. They describe the causes of codependency, pointing out the factors that perpetuate it, and lead readers through their ten stages of recovery. Continue a deeper study with the *Love Is a Choice* workbook, available separately.

A beautiful and heartwarming picture book celebrating the ways in which Earth's creatures say "I love you."

Discover the three types of love--and the key to finding the one you're truly meant to be with. We love and we love again -- sometimes our hearts get broken but, somehow, we find the courage to dive back in. In this soul-searching book, relationship expert Kate Rose guides readers down the path to a deeper understanding of who they are, what they want, and finally, to the discovery of their Twin Flame. According to Rose, love is a journey of self-discovery and every relationship we have in our lives teaches us something that we need to learn about ourselves and what will make us truly happy. She introduces readers to the three types of love we will all experience: • The Soulmate introduces us to the dream of love, but somehow what seemed like it would be "happily ever after" wasn't meant to last forever. • We are so consumed with making The Karmic Love work that we often fail to question whether it should work. As painful as it is to accept, this love that felt so right in the beginning is actually all wrong. • The Twin Flame comes into our lives and often we don't even know it's love because . . . it's too easy. This is the love who helps us to accept ourselves just as we are because this is precisely what they do. In *You Only Fall in Love Three Times*, Kate Rose shows us that happy endings may not happen quite the way they do in fairytales-- but they happen nonetheless.

How do I hate thee? Let me count the ways... ubrey Cash learned the hard way not to rely on love. After all, Webster Casey, the new boy next door she'd been falling for all summer, stood her up at homecoming in front of everyone with no explanation. Proving her theory that love never lasts seems easy when she's faced with parents whose marriage is falling apart and a best friend who thinks every boy she dates is "the one." But when sparks fly with a boy who turns out to be Webster's cousin, and then Webster himself becomes her lab partner for the rest of senior year, Aubrey finds her theory—and her commitment to stay single—put to the test. As she navigates the breakdown of her family, the consequences her cynicism has on her relationship with her best friend, and her own confusing but undeniable feelings for Webster, Aubrey has to ask herself: What really happened the night Webster stood her up? And if there are five ways to fall out of love...could there perhaps be even more ways to fall back in? “An engrossing tale [that] provides plenty of food for thought” (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of *How Proust Can Change Your Life* tracks the beautifully complicated arc of a romantic partnership. We all know the headiness and excitement of the early days of love. But what comes after? In *Edinburgh*, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple as “happily ever after.” *The Course of Love* explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortless of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an annotation and a guide to what we are reading. As *The New York Times* says, “*The Course of Love* is a return to the form that made Mr. de Botton’s name in the mid-1990s...love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page.” This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in love. Fresh, visceral, and utterly compelling, *The Course of Love* is a provocative and life-affirming novel for everyone who believes in love. “There’s no writer alive like de Botton, and his latest ambitious undertaking is as enlightening and humanizing as his previous works” (Chicago Tribune).

A rising star in philosophy examines the cultural, social, and scientific interpretations of love to answer one of our most enduring questions What is love? Aside from being the title of many a popular love song, this is one of life's perennial questions. In *What Love Is*, philosopher Carrie Jenkins offers a bold new theory on the nature of romantic love that reconciles its humanistic and scientific components. Love can be a social construct (the idea of a perfect fairy tale romance) and a physical manifestation (those anxiety- inducing heart palpitations); we must recognize its complexities and decide for ourselves how to love. Motivated by her own polyamorous relationships, she examines the ways in which our parameters of love have recently changed-to be more accepting of homosexual, interracial, and non-monogamous relationships-and how they will continue to evolve in the future. Full of anecdotal, cultural, and scientific reflections on love, *What Love Is* is essential reading for anyone seeking to understand what it means to say "I love you." Whether young or old, gay or straight, male or female, polyamorous or monogamous, this book will help each of us decide for ourselves how we choose to love.

A repackaged edition of the revered author's classic work that examines the four types of human love: affection, friendship, erotic love, and the love of God—part of the C. S. Lewis Signature Classics series. C.S. Lewis—the great British writer, scholar, lay theologian, broadcaster, Christian apologist, and bestselling author of *Mere Christianity*, *The Screwtape Letters*, *The Great Divorce*, *The Chronicles of Narnia*, and many other beloved classics—contemplates the essence of love and how it works in our daily lives in one of his most famous works of nonfiction. Lewis examines four varieties of human love: affection, the most basic form; friendship, the rarest and perhaps most insightful; Eros, passionate love; charity, the greatest and least selfish. Throughout this compassionate and reasoned study, he encourages readers to open themselves to all forms of love—the key to understanding that brings us closer to God.

From William C. Morris Award Finalist S.K. Ali comes an unforgettable romance that is part *The Sun Is Also a Star* mixed with *Anna and the French Kiss*, following two Muslim teens who meet during a spring break trip. A marvel: something you find amazing. Even ordinary-amazing. Like potatoes—because they make French fries happen. Like the perfect fries Adam and his mom used to make together. An oddity: whatever gives you pause. Like the fact that there are hateful people in the world. Like Zayneb’s teacher, who won’t stop reminding the class how “bad” Muslims are. But Zayneb, the only Muslim in class, isn’t bad. She’s angry. When she gets suspended for confronting her teacher, and he begins investigating her activist friends, Zayneb heads to her aunt’s house in Doha, Qatar, for an early start to spring break. Fueled by the guilt of getting her friends in trouble, she resolves to try out a newer, “nicer” version of herself in a place where no one knows her. Then her path crosses with Adam’s. Since he got diagnosed with multiple sclerosis in November, Adam’s stopped going to classes, intent, instead, on perfecting the making of things. Intent on keeping the memory of his mom alive for his little sister. Adam’s also intent on keeping his diagnosis a secret from his grieving father. Alone, Adam and Zayneb are playing roles for others, keeping their real thoughts locked away in their journals. Until a marvel and an oddity occurs... Marvel: Adam and Zayneb meeting. Oddity: Adam and Zayneb meeting.

Faith Kenner is pursuing her dream to become a doctor at Willamette University's medical college so she can use her gift for healing to help those in need, especially the native populations forced onto reservations and then neglected. When she meets Andrew Gratton, a handsome riverboat captain who has been injured on his ship, she uses her skills to tend his wound, and a friendship grows between them. Andrew admires her strength and willingness to stand her ground, and Faith appreciates his intelligence and compassion. But Faith holds a secret that means their friendship can never become anything more, so she must bury her feelings for Andrew as best she can. When her fellow students put together lectures to speak out against Oregon's racist laws and policies, Faith is eager to participate. But some powerful men have other plans for their state, and soon Faith is caught in the middle of a plot to push the local Indian tribes to rebel. As she and Andrew fight for the rights of others, their love for each other grows. Can they trust that God has a way toward love for them, or will her secret stand in the way of their one chance for true happiness?

What does a Franciscan friar know about dating? While officially off the market now, Dan Horan had his share of relationships in high school and collegeenough to know the ins and outs of dating, the high of first falling in love, and the low of falling out of love. He knows what it is like to break a heart and to experience the pain of heartbreak. He knows what the in-between time is like of planning, fun, fights, jealousy, bliss, connection, misunderstanding, and the rest. The journey to God, says Br. Dan, is a lot like dating. You have to get to know God in the same way and in a similar process as you would with

someone you date, when you want to explore another person's truest self.

LONGLISTED FOR THE NATIONAL BOOK AWARD • NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS • In this moving, lyrical, and ultimately uplifting collection of essays, Michael Paterniti turns a keen eye on the full range of human experience, introducing us to an unforgettable cast of everyday people. Michael Paterniti is one of the most original and empathic storytellers working today. His writing has been described as “humane, devastating, and beautiful” by Elizabeth Gilbert, “spellbinding” by Anthony Doerr, and “expansive and joyful” by George Saunders. In the seventeen wide-ranging essays collected for the first time in *Love and Other Ways of Dying*, he brings his full literary powers to bear, pondering happiness and grief, memory and the redemptive power of human connection. In the remote Ukrainian countryside, Paterniti picks apples (and faces mortality) with a real-life giant; in Nanjing, China, he confronts a distraught jumper on a suicide bridge; in Dodge City, Kansas, he takes up residence at a roadside hotel and sees, firsthand, the ways in which the racial divide turns neighbor against neighbor. In each instance, Paterniti illuminates the full spectrum of human experience, introducing us to unforgettable everyday people and bygone legends, exploring the big ideas and emotions that move us. Paterniti reenacts François Mitterrand’s last meal in a rustic dining room in France and drives across America with Albert Einstein’s brain in the trunk of his rental car, floating in a Tupperware container. He delves with heartbreaking detail into the aftermath of a plane crash off the coast of Nova Scotia, an earthquake in Haiti, and a tsunami in Japan—and, in searing swirls of language, unearths the complicated, hidden truths these moments of extremity teach us about our ability to endure, and to love. Michael Paterniti has spent the past two decades grappling with some of our most powerful subjects and incomprehensible events, taking an unflinching point of view that seeks to edify as it resists easy answers. At every turn, his work attempts to make sense of both love and loss, and leaves us with a profound sense of what it means to be human. As he writes in the Introduction to this book, “The more we examine the grooves and scars of this life, the more free and complete we become.” Praise for Michael Paterniti and *Love and Other Ways of Dying* “One of the best books I’ve read all year . . . These pieces are exceptional artifacts of literary journalism.”—Mark O’Connell, *Slate* “These pieces are extraordinary. . . . Journalism elevated beyond its ordinary capacities, well into the realm of literature.”—*Columbia Journalism Review* “A fearless, spellbinding collection of inquiries by a brilliant, globally minded essayist whose writing is magic and whose worldview brims with compassion . . . The size of Michael Paterniti’s curiosity is matched only by the size of his heart.”—Anthony Doerr, author of *All the Light We Cannot See* “Michael Paterniti is a genius.”—Elizabeth Gilbert, author of *The Signature of All Things* “One of the best living practitioners of the art of literary journalism, able to fully elucidate and humanize the everyday and the epic.”—Dave Eggers, author of *The Circle* “In each of these essays, Michael Paterniti unveils life for us, the beauty and heartbreak of it, as we would never see it ourselves but now can never forget it. Paterniti is brilliant—a rare master—and one of my favorite authors on earth.”—Lily King, author of *Euphoria*

As followers of Jesus, we are called to draw ever closer to our Savior. One path to the Way of Love is through seven key actions: Turn. Learn. Pray. Worship. Bless. Go. Rest. Includes questions, journal prompts, a guide for a personal rule of life.

The Way of Love asks the question: How can we love each other? Here Luce Irigaray, one of the world's foremost philosophers, presents an extraordinary exploration of desire and the human heart. If Western philosophy has claimed to be a love of wisdom, it has forgotten to become a wisdom of love. We still lack words, gestures, ways of doing or thinking to approach one another as humans, to enter into dialogue, to build a world where we can live together.

Who would dream of being against love? No one. Love is, as everyone knows, a mysterious and all-controlling force, with vast power over our thoughts and life decisions. But is there something a bit worrisome about all this uniformity of opinion? Is this the one subject about which no disagreement will be entertained, about which one truth alone is permissible? Consider that the most powerful organized religions produce the occasional heretic; every ideology has its apostates; even sacred cows find their butchers. Except for love. Hence the necessity for a polemic against it. A polemic is designed to be the prose equivalent of a small explosive device placed under your E-Z-Boy lounge. It won't injure you (well not severely); it's just supposed to shake things up and rattle a few convictions.

As her son grows up from little boy to adult man, a mother secretly rocks him each night as he sleeps.

Reveals the seminal role of spiritual insight and understanding in our daily lives while examining the qualities that help us express and respond to love, as well as the obstacles and misunderstandings that undermine relationships.

• Reflections follow the practices of The Way of Love—Turn, Learn, Pray, Worship, Bless, Go, Rest • Each devotion includes a passage of scripture, a story, and reflection questions • Perfect during Lent or any time of year "Living the Way of Love" offers forty brief reflections about the seven Jesus-centered practices identified by Presiding Bishop Michael Curry in "The Way of Love" initiative. Sullivan tells stories from her own and others' experiences as a starting point for discussion about how to seek and find a deeper connection to God. Rotating through each practice so that each is covered once a week, going deeper into the practice throughout the forty days, each reflection ends with questions designed to spur further discussion and assist readers in making the practices their own. Perfect for using as a Lenten devotional or at any time of the year, the book includes a guide for creating a personal rule of life, and a downloadable Facilitator's Guide.
