She wants her fiancé's betrayers found. He yearns to fix a horrible mistake. When tensions explode, will they find an ally in each other or an enemy? Lena Rebel's heart bled out when her military mission went south and her fiancé never made it home alive. Two years later, she still struggles between her drive to gain justice for his death and the potential for healing she's found in the Stryker Security Force. When her next protection assignment has her acting as nanny, her patience and resolve is tested. Marshall Rand's entire existence revolves around redeeming the one decision that cost him everything. After finding out his wife was used and murdered to manipulate his vote in Congress, Marshall spends his energy doing everything he can to support the military that he failed. When his son's life is threatened and he needs covert help, he calls the best security team he knows. With threats escalating to attacks, will Lena and Marshall's escape into the Alaskan wilderness provide the safety they need or more danger than they can handle? If you like page-turning adventure, fascinating characters, and engaging stories of triumph, you'll love Sara Blackard's riveting inspirational security romance series. Authored by electron microscopists and leading members of the International Committee on Taxonomy of Viruses (ICTV), the Atlas of Virus Diagrams includes chapters on virus classification. The diagrams, selected for content and historic and aesthetic value, illustrate vertebrate, invertebrate, and plant bacterial viruses taken from English, French, and German language virological literature. The book presents this information in three sections: Overviews, including vertebrate and plant viruses Viruses with cubic and helical symmetry Viruses with binary symmetry (tailed bacteriophages).

'John Howard Yoder: Radical Theologian' shows that for John Howard Yoder both theology (in particular Christology) and ethics are expressions of the meaning of the narrative of Jesus. All such statements are relative to a particular context, so that theology and ethics are subject to reaching back to the narrative in order to restate the meaning in new and ever-changing contexts. This methodology is visible in Yoder's 'Preface to Theology', which has been little used in most treatments of Yoder's thought. Yoder has been characterised as standing on Nicene orthodoxy, criticised for rejecting Nicene orthodoxy, called heterodox, and designated a postmodern thinker to be interpreted in terms of other such thinkers. None of these characterisations adequately locates the basis of his methodology in the narrative of Jesus. Thus 'John Howard Yoder: Radical Theologian' aims to go beyond or to supersede existing treatments with its demonstration that Yoder is a radical theologian in the historical meaning of radical - that is, as one who returns to the root - but also relates his theology to the personal accusations that clouded his later years. For Christian faith, this root is Christ. Parts II and III of the book explore the sources of Yoder's approach, and its application in several contemporary contexts.

Professor and Mrs. Moriarty seek justice where the law can't — or won't — apply. In this series of lively stories, they assemble a band of misfits -- others who have been cast out or falsely accused -- to help them defend the victims of the rich and powerful in Victorian society. Their efforts often put them at odds with police consultant Sherlock Holmes. Book 1: Moriarty Meets His Match Prof. Moriarty has one desire in his ruined life: to destroy his enemy. Then he meets amber-eyed Angelina and his world turns upside down. Now he's being stalked by the implacable Sherlock Holmes and entangled in a web of murder and deceit. Book 2: Moriarty Takes His Medicine Professor & Mrs. Moriarty tackle a case too ticklish for Sherlock Holmes — a doctor with a private clinic murdering wealthy women for a price. Book 3: Moriarty Brings Down the House The Moriartys must stop the deadly pranks threatening a West End Christmas pantomime before someone they love is killed or Holmes obtains the damning evidence his client demands. Bonus short story: The Stockbroker's Wife Professor Moriarty commits a small fraud to expose a larger one.

Taren dives overboard and is saved by a pirate captain—his people are Ea, shape-shifting merfolk... and Taren is one of them too.

A steamy new series that will have fans on lockdown. Meet the H.O.T. cops, a group of alpha males trained in law enforcement-but naturally skilled at the art of pleasure. The people of Turnbridge, Michigan, see Carly Winters as the respectable-yet painfully single- good girl. None of them knows what she does miles away, where she becomes Desiree, a seductress who lures men into nights of heated passion. Until the day she's introduced to the new cop in town-Jake, one of the men who fulfilled her darkest fantasy. His arrival turns her safe world upside down. Carly's good and bad girl personas clash, and she must decide who she needs to be...

Two strangers. One rule. Don't ask questions. Lex Amos is not a woman who gets walked on. She does the walking. So when her boss hands her a project she always swore she'd never take, and her boyfriend breaks up with her, she does exactly that. She quits her job and plans the vacation of her dreams. Iceland in February. Northern Lights, delicious food and frozen vistas. There's just one problem--her rental car crashes in a blizzard on an isolated stretch of road through the Arctic tundra and there's only one light in sight. She stomps through the wind and snow to the light, opens the door and finds a man--a big burly man with no name, a killer body and a brazen idea. They'll be stuck together for two, maybe three days. The blizzard ensures it. They have a choice. They can spend those three days in awkward silence, part ways, and promptly forget one another. Or, she can strip off her wet clothes, indulge in her every carnal desire, and they can go to their death beds with a single burning memory of the wild blizzard they spent shackled-up in the arms of a stranger. Life's full of tough choices, isn't it? When it's all over, they say goodbye forever. But the mystery man won't get out of her head. He's slithered his way into her heart. And apparently she slithered into his, because he shows up again. This time it's real life. Same rules. No questions except for the single biggest one of all. Can Lex stop fighting her mysterious man and start fighting for him? Fight Dirty With Me is a standalone suspense romance novel with secret billionaire identity, lots of laughs, steamy content and no fade to black. It is book 2 in the Dirty Series, but you do not need to have read book 1.

The long-awaited sixth installment of Laura Antoniou's Marketplace series! A surprise hit when first published in the 1990s by Masquerade Books, THE MARKETPLACE launched a series that eventually grew to five books. The author, Laura Antoniou, wrote them slowly, while working a day job, and after Masquerade went under, moved to a small press. After that press's demise, the series faltered, but in 2010 Circlet Press began to re-issue the series in new ebook editions. The revitalization of the entire franchise in the face of "50 Shades" mania has been nothing short of incredible. Antoniou's work has been featured in Cosmopolitan, Life Story, and elsewhere as a safe, sane, and consensual alternative to "50" and now, at last, after a massively successful Kickstarter campaign, a brand new, never before published sixth installment is ready to foray into bookstores! When last we saw Chris Parker, he had been bought by master trainer Tetsuo Sakai and was blissfully ensconced in Japan under Tetsuo's wonderfully sadistic boot. And here we join Robin Cassidy, now contentedly serving a slave contract for a rich Chicago businessman. But the Marketplace is shaken when a new Trainer of Trainers must be anointed and the resulting machinations and clashing loyalties threaten to tear their world apart. Everyone has a stake in the outcome and Chris Parker is about to find out who is with him and who is against him. Richly told, interconnecting threads of Parker's previously unseen past with his complicated present, The Inheritor also weaves in the narratives of many favorite Marketplace characters, including Robin, Ken Mandarin, Ron Avidon, and features appearances by many more, including Jiro, Rachel, Michael, and Grendel. Laura Antoniou is the award-winning author of The Killer Wore Leather and the long-running series that began in 1993 with The Marketplace.

Almost every student has to study some sort of mathematical proofs, whether it be in geometry, trigonometry, or with higher-level topics. In addition, mathematical theorems have become an interesting course for many students outside of the mathematical arena, purely for the reasoning and logic that is needed to complete them. Therefore, it is not uncommon to have philosophy and law students grappling with proofs. This book is the perfect resource for demystifying the techniques and principles that govern the mathematical proof area, and is done with the standard "Demystified" level, questions and answers, and accessibility.

The Falk Clan Tales Complete Series Journey with these Four Dragon Shifter brothers and discover how they meet their true and fated mates. Each brother's chest is marked with his rose, the magical link to his heart and his magic to be shared with the one person in the universe destined for him alone. Each Dragon has a matching gemstone to go with it, a gift for his future mate. But after 500 years of isolation and imprisonment, can these Dragons find their mates in the modern world? Inside Dragon Mates: In The Dragon's Valentine, we meet the eldest Falk brother, Callius. He is on a mission to find a Castle and his one true mate, one he can trust with his diamond rose. She's given up on love, but he's just begun... In The Dragon's Christmas Gift our attention shifts to Aleksander, the youngest brother of the four. He has resigned himself to a life alone, until he meets her. His heart is frozen. Can she change his mind about love? The Dragon's Heart tells the story of Edric Falk who has vowed never to love again, but that changes when he meets his feisty mate, Joselyn Coracao. Some wounds run deep, can a Dragon's heart be unbroken? Lastly, Nikolai Falk meets his mate in Melody Casper in The Dragon's Secret. She just wants a little fun, he's looking for a lifetime. I loved writing each and every one of these brothers' tales and I hope you will enjoy reading them. Del mare alla stella, C.D. Gorri

"An Introduction to Scrum" gives the reader the opportunity to learn exactly what scrum is all about and to be able to learn the basic functions of it as well. It is a great tool that can be used for application development or to manage software projects. The author ensures that things are kept simple so that the reader has no problems at all understanding and executing what they are taught in the book. Many persons shy away from learning new things, especially when they are technology based as they think that it will simply be too hard to learn in a short period of time. This text dispels that thought quite easily.

The only authorized Lab Manual for the Cisco Networking Academy CCNP Version 7 SWITCH course A CCNP certification equips students with the knowledge and skills needed to plan, implement, secure, maintain, and troubleshoot converged enterprise networks. The CCNP certification requires candidates to pass three 120-minute exams-ROUTE 300-101, SWITCH 300-115, TSHOOT 300-135-that validate the key competencies of network engineers. The Cisco Networking Academy curriculum consists of three experience-

oriented courses that employ industry-relevant instructional approaches to prepare students for professional-level jobs: CCNP ROUTE: Implementing IP Routing, CCNP SWITCH: Implementing IP Switching, and CCNP TSHOOT: Maintaining and Troubleshooting IP Networks. This course teaches students how to implement, monitor, and maintain switching in converged enterprise campus networks. Students will learn how to plan, configure, and verify the implementation of complex enterprise switching solutions. The course also covers the secure integration of VLANs, WLANs, voice, and video into campus networks. Comprehensive labs emphasize hands-on learning and practice to reinforce configuration skills. The 15 comprehensive labs in this manual emphasize hands-on learning and practice to reinforce configuration skills.

"ONE COLD NIGHT SHE DISAPPEARED...." New York Police detective Dave Strauss is haunted by the one case he couldn't solve. A schoolgirl vanished off the streets of Brooklyn, with only a trail of blood and a series of untraceable phone calls from "the Groom" hinting at her fate. Now the cold dark night has engulfed another young girl--but this time she is part of Daves family. He and his wife, Susan, know fourteen-year-old Lisa has not run away, and they know her disappearance is not just a tragic coincidence. And once the first phone call comes, they know she's not alone. Detective Sergeant Mariko Oshiro has been promoted to Japan's elite Narcotics unit—and with this promotion comes a new partner, a new case, and new danger. The underboss of a powerful yakuza crime syndicate has put a price on her head, and he'll lift the bounty only if she retrieves an ancient iron demon mask that was stolen from him in a daring raid. However, Mariko has no idea of the tumultuous past carried within the mask—or of its deadly link with the famed Inazuma blade she wields. The secret of this mask originated hundreds of years before Mariko was born, and over time the mask's power has evolved to bend its owner toward destruction, stopping at nothing to obtain Inazuma steel. Mariko's fallen sensei knew much of the mask's hypnotic power and of its mysterious link to a murderous cult. Now Mariko must use his notes to find the mask before the cult can bring Tokyo to its knees—and before the underboss decides her time is up....

A working guide to the proper methods of interacting with the full Vodou pantheon • Includes the myths, cultural heritage, and ancestral lineage of the lwa and how to honor and serve them • Provides an introduction and guide that is especially useful for the solitary practitioner • Discusses the relationship between Vodou, Haitian culture, and Catholicism In The Haitian Vodou Handbook, Kenaz Filan, an initiate of the Société la Belle Venus, presents a working guide to the proper methods of interacting with the full Vodou pantheon, explaining how to build respectful relationships with the lwa, the spirits honored in Haitian Vodou, and how to transform the fear that often surrounds the Vodou religion. Until recently, the Haitian practice of Vodou was often identified with devil worship, dark curses, and superstition. Some saw the saint images and the Catholic influences and wrote Vodou off as a "Christian aberration." Others were appalled by the animal sacrifices and the fact that the Houngans and Mambos charge money for their services. Those who sought Vodou because they believed it could harness "evil" forces were disappointed when their efforts to gain fame, fortune, or romance failed and so abandoned their "voodoo fetishes." Those who managed to get the attention of the lwa, often received cosmic retaliation for treating the spirits as attack dogs or genies, which only further cemented Vodou's stereotype as "dangerous." Filan offers extensive background information on the featured lwa, including their mythology and ancestral lineage, as well as specific instructions on how to honor and interact fruitfully with those that make themselves accessible. This advice will be especially useful for the solitary practitioner who doesn't have the personal guidance of a société available. Filan emphasizes the importance of having a quickened mind that can read the lwa's desires intuitively in order to avoid establishing dogma-based relationships. This working guide to successful interaction with the full Vodou pantheon also presents the role of Vodou in Haitian culture and explores the symbiotic relationship Vodou has maintained with Catholicism.

The first book to explain the popular Christian practice of the examen prayer. Fr. Gallagher takes us deeper into the prayer Ignatius of Loyola believed was at the center of the spiritual life, showing how relevant it is today.

Kelvin, Jem and Thist are a trio of young and ambitious adventurers. Circumstances force a routine journey to the city to divert on a harrowing trail of danger, trials and despair. Against all sensible judgement they turn insurmountable obstacles into daring challenges. There is a lot of talk about heresy these days. The frequency and volume of accusations suggest that some Christians have lost a sense of the gravity of the word. On the other hand, many believers have little to no familiarity with orthodox doctrine or the historic distortions of it. What's needed is a strong dose of humility and restraint, and also a clear and informed definition of orthodoxy and heresy. Know the Heretics provides an accessible "travel guide" to the most significant heresies throughout Christian history. As a part of the KNOW series, it is designed for personal study or classroom use, but also for small groups and Sunday schools wanting to more deeply understand the foundations of the faith. Each chapter covers a key statement of faith and includes a discussion of its historical context; a simple explanation of the unorthodox teaching, the orthodox response and a key defender; reflections of contemporary relevance; and discussion questions.

Joanna Lennox is a fine bred English lady. She's pretty, intelligent, witty and...on the shelf. With an influential baron as her brother and a hefty dowry, she should have gentleman lining up at her door but

instead she seems doomed to become a spinster. Then one night a handsome highland lord steals a kiss from her in a library which stirs her deepest desires. Desperate for a life and a love of her own, she turns to the darkly handsome, brooding, Scottish lord who lights a fire within her with his touch. But will his secrets and enemies tear them apart? Brock Kincade knows better than to go around kissing English ladies in dark libraries. Especially when a lady is the little sister of the man who will shortly be his brother-in-law. But Joanna is pure temptation, and he's been denied that innocent affection for far too long. He doesn't believe in love, but he believes in lust, and after that single kiss, he knows he wants her as his wife. He might not love her, but he'll care for her and fuel the passionate fire between them with pleasure. There's just one problem: He'll have to steal her away from her overprotective brother and his devilish band of friends, the League of Rogues. It's a race to Greta Green for a hasty anvil marriage that will change their lives forever...

Ancient Egypt, with its spectacular temples and tombs, its history, gods, and legends, has enticed the human imagination for centuries. This fascination—and the irresistible drive to unearth the buried secrets of a lost civilization—have been the life work of archaeologist Donald P. Ryan. Beneath the Sands of Egypt is the gripping first-person account of a real-life “Indiana Jones” as he recalls a career spent delving into the remains of Egypt’s past—including his headline-making rediscovery of a lost tomb in the Valley of the Kings containing the mummy of the famous female pharaoh Hatshepsut. Infused with the irrepressible curiosity and the incomparable wonder of discovery that have fueled Ryan’s lifelong journey, Beneath the Sands of Egypt is the extraordinary story of a man who has always embraced adventure whenever—and wherever—he finds it.

This is a philosophical exploration of the role of art and religion as sources of meaning in an increasingly material world dominated by science. Relating themes in the history of European philosophy to topics in contemporary philosophy, Gordon Graham investigates the idea that art has the potential to re-enchant an irreligious world.

Most Christians agree that discipleship is important, even essential for Christian maturity; few understand biblical principles and even fewer apply a biblical process when it comes to discipleship.

Pepper Pace's long awaited fourth book in the Wheels of Steel saga finds Robin and Jason reunited after a betrayal that Robin could not forgive. Too much drinking, partying and drug use leaves Robin with wavering control. And Jason has vowed that no matter what, he will never again lose the woman he loves. Their tentative reunion is put to a test when tragedy requires them to travel to Japan where Robin is finally forced to face the one person whose betrayal she cannot forgive. In book four Pepper Pace brings together the entire Wheels of Steel crew along with new players ... as well as new betrayals. On the edge of becoming famous the Wheels of Steel crew have to navigate the Japanese nightlife, partying, drugs, the Yakuza-all with the backdrop of their creative music. Set in post-war Britain, this Potter screenplay has been made into a C4 TV series. It is the time of Suez and the setting is the War Office - half of the department's incumbents are true army men, British to the core and proud of it, but the remainder are world-weary national servicemen, aching to get into the civvies and the promise of a new life. Post-war austerity is still with us, but the younger style is making itself felt - and Potter's rock 'n' roll music reflects this.

This book details the mathematical developments in total variation based image restoration. From the reviews: "This book is devoted to PDE's of elliptic and parabolic type associated to functionals having a linear growth in the gradient, with a special emphasis on the applications related to image restoration and nonlinear filters....The book is written with great care, paying also a lot of attention to the bibliographical and historical notes."-- ZENTRALBLATT MATH

An urgent and provocative account of the modern 'militant', a transformative figure at the front line of emancipatory politics. Around the world, recent events have seen the creation of a

radical phalanx comprising students, the young, workers and immigrants. It is Badiou's contention that the politics of such militants should condition the tasks of philosophy, even as philosophy clarifies the truth of our political condition. To resolve the conflicts between politics, philosophy and democracy, Badiou argues for a resurgent communism – returning to the original call for universal emancipation and organizing for militant struggle.
