

Rabbit And Turtle Go To School

Rabbit and Turtle repeat their famous race--this time on their way to school. Rabbit runs; Turtle takes the bus. Who will win?

Dr. Seuss presents three modern fables in the rhyming favorite *Yertle the Turtle and Other Stories*. The collection features tales about greed ("Yertle the Turtle"), vanity ("Gertrude McFuzz"), and pride ("The Big Brag"). In no other book does a small burp have such political importance! Yet again, Dr. Seuss proves that he and classic picture books go hand in hand.

Story of two friends to overcome barriers. I would like to recommend this book to everyone.

This book contains 175 tales drawn equally from the ancient and modern periods of Korea, plus 16 further tales provided for comparative purposes. Nothing else on this scale or depth is available in any western language. Three broad classes of material are included: foundation myths of ancient states and clans, ancient folktales and legends, modern folktales. Each narrative contains information on its source and provenance, and on its folklore type, similarities to folklore types from China, Japan and elsewhere.

The Tewa are a Pueblo Indian group from New Mexico, some of whom migrated around 1700, in the aftermath of the second Pueblo Revolt, to their present location on First Mesa of the Hopi Reservation in northern Arizona. This collection of more than one hundred tales from both New Mexico and Arizona Tewa, first published in 1926, bears witness to their rich cultural history. In addition to

emergence and animal stories, these tales also provide an account of many social customs such as wedding ceremonials and relay racing--that show marked differences between the two tribal groups. A comparison of tales from the two divisions of the tribe reveals something of what has happened to both emigrant and home-staying Tewa over two centuries of separation. Yet, while only half of the Arizona tales are distinctly parallel to the New Mexican, additional similarities may be found in such narrative features as the helpfulness of Spider old woman and her possession of medicine, creating life magically under a blanket, or Coyote beguiling girls into marriage. Elsie Clews Parsons was a pioneering anthropologist in the Southwest whose works included the encyclopedic Pueblo Indian Religion. The Tewa tales she gathered for this volume are thus notable not only as fascinating stories that will delight curious readers, but also as authentic reflections of a people less known to scholars.

Kar-Ben Read-Aloud eBooks with Audio combine professional narration and text highlighting to bring eBooks to life! What will the hare and the tortoise see as they race across Israel from Tel Aviv to the Dead Sea? In a forest, there were a rabbit and a turtle arguing over who owned the swamp.
