Prayer releases the atmosphere of heaven into the earth. If prayer can alter the course of history and reshape the world, then why don't believers pray more? Prophetic prayer is so much deeper than a religious exercise; it is actually the supernatural catalyst that enables us to experience the power and presence of God in every area of our lives. If believers only knew the power of prophetic prayer, they wouldn't struggle to bend the knee. Through biblical study and practical questions, The Power of Prophetic Prayer will take

readers on a spiritual discovery of the unique words, convictions, and declarations God is longing to hear from each one of His followers. "We are not victims! God hasn't called us to sit back and watch life happen. Instead, He has called us to partner with the Holy Spirit in prophetic prayer." This publications awakens the believer to a myriad of spiritual laws and principles of God which he can take advantage of and enter deeper realms of the spirit. It is worth exploring the divine truth that there are laws and principles that God has put in place by which He governs the universe. These are categorically physical laws which govern the natural realm and spiritual laws which govern the realm of the spirit. For example, there is a law of gravity which stipulates that if you throw an object up in the air, it will evidently crash back onto the earth; the law of floatation which allows ships and boats to float on water, the law of aerodynamics that enables aeroplanes to fly and the law of electricity which helps us generate heat and light energy. The reality is that when we operate in obedience to these physical laws within nature, we reap positive results but when we violate them, the repercussions are severe. However, as much as there are physical laws, there are also spiritual laws which are the highest class of laws governing and controlling the entire universe. In the spiritual realm, God has established a court system with laws, principles and divine protocols which functions just like the court system of the natural realm. Just like physical laws, when we cooperate with these spiritual laws, we reap alarming results but when we violate them, we face the consequences. It's a pity that most people do not understand the operation of these divine laws and protocols, which explains why the devil ends taking advantage of their ignorance, thus gaining a legal foothold that grants him the right to ensnare them into debilitating circumstances of poverty, sickness and defeat. There are certain principles that

one can tap into in order to walk into the deeper realities of God's power. Just like there are laws of gravity which governs how to operate in the natural realm, there are also spiritual laws that govern the spirit realm or how to operate in the realm of the miraculous. These laws of the supernatural complement each other and are progressions to enter into the greater depths of God. Each of these laws has a specific manifestation that produces something special. However, it is unfortunate that many believers are failing to operate in the realm of the miraculous because they do not understand spiritual laws and principles which they could take advantage of to generate positive results.

So many people are trapped by negativity because of the words in their mouth. They are trapped by bitterness and unforgiveness because of the words in their mouth. This book is revelation teaching of what the Holy Spirit revealed to me about why the children of God have so many problems, and trouble with the devil. This book will teach and show you why Satan does not like you. Since you were made in God's image and likeness, you were made Spirit. God made man to be another speaking Spirit just like Himself. God gave something to man that he did not give to the angels. He gave man the ability to "call things that be not as though they were" (Romans 4:17). The devil does not have that ability. The thinking of some is that Satan tried to take God's place, or overthrow God, and take over heaven. That teaching had Lucifer trying to overthrow God in heaven so he could be God. This book explains what really happen. It tells us that Lucifer really did not try to take over heaven. Most importantly it explains Why The Devil Don't Like You!

them with your own thanksgiving, and let God's love and grace touch the very depths of your being. The Benefits of Applying the Word As with several of my other books, this one is intended to be applied. It's words and message are impotent if they are not vigorously acted upon. The 'His Word My Word' series of books take eternal truth and shape it for application right here and now! This series of books will train your tongue by planting the Word in your heart, and harnessing your testimony (the confession of your mouth) with the law of liberty - the perfect Word of our Father. Just a few the benefits you can expect as you act on what you read, and become a doer of the work include: -It renews the mind, building into your consciousness and expectation new truths to live by. -It moulds your vocabulary, harnessing your tongue to speak only those things God (and you) desire for your life. -It conforms your thoughts and words to His thoughts and Words. -It gives expression to the mind of Christ in any and all situations. -It raises our perspective from earthly to heavenly, from below circumstances to above them. -It banishes wrong thinking and emotions, replacing them with God's own thoughts - our emotions will always follow our thinking, and our thinking will follow the deposit in our heart, and the words of our mouths. -It gives you an actionable principle you can apply to combat any adversity you face with confidence. -It establishes Godly boundaries in your life. -It overcomes the devil's plans and purposes because you are never in agreement with him, and they cannot be established. -It develops new pictures of ourselves, ones that are shaped by God's unchanging

love for us. -It equips us with the necessary weapons for the Holy Spirit to bring to our remembrance what is needed to overcome, any time our mind, body or spirit come under attack. -It brings every thought into captivity and conformity to Christ, resulting in increased spiritual authority in the spirit realm and in relationships and ministry. -It is health to our flesh and strength to our bones. There are many more wonderful benefits that flow from disciplining ourselves to speak the Word only, but I am sure that you already agree, any investment we need to make putting this into practice is far outweighed by the promised returns. It is truly life changing, and a spiritual principle that will stand the test of time and every challenge that is thrown at it.

Those who are wise and have set extra oil in their lamps will be ready when the trumpet sounds and Yahshua appears in the sky.
