

Seventeen Ultimate Guide To Beauty

Moving between journal entry, memoir, and exposition, Audre Lorde fuses the personal and political as she reflects on her experience coping with breast cancer and a radical mastectomy. A Penguin Classic First published over forty years ago, *The Cancer Journals* is a startling, powerful account of Audre Lorde's experience with breast cancer and mastectomy. Long before narratives explored the silences around illness and women's pain, Lorde questioned the rules of conformity for women's body images and supported the need to confront physical loss not hidden by prosthesis. Living as a "black, lesbian, mother, warrior, poet," Lorde heals and re-envision herself on her own terms and offers her voice, grief, resistance, and courage to those dealing with their own diagnosis. Poetic and profoundly feminist, Lorde's testament gives visibility and strength to women with cancer to define themselves, and to transform their silence into language and action.

Derek Blasberg is back with more brilliant commentary on what makes a lady truly classy. With all the razor-sharp insights of *Classy* plus new, never-before-seen pages packed with Derek's signature wit and timeless tips, *VeryClassy* is the best - and the only - resource for the up-to-the minute, modern young woman. Today's fast-maturing youth culture is confounded by a whole slew of classy conundrums. Like, "Is a funeral an acceptable place to meet a guy?" (No, the point of a funeral is to ponder how someone has touched your life, not how you hope someone is going to touch you later that night). And, "Should I wear my Wonderbra to the gym?" (No! Gyms are for exercise, not cleavage.) Even if you're so confident, you've been attracting guys like a honey-dipped man magnet for years - *VeryClassy* still has something for

you. This illustrated volume is packed with advice for the girl who doesn't want to be a Relationship Chameleon, the girl who understands that skinny fat is worse than just plain fat, and the girl who needs a little help discovering the silver lining of a hangover. *Very Classy* is the ultimate guide for discerning this generation's ladies from the tramps. A New York Times bestseller! Cofounder of the international beauty company Caudalíe shares the simple, natural, time-tested beauty secrets she learned growing up in France that any woman can use to look younger, healthier, and more radiant without harsh products or drastic procedures. When Mathilde Thomas moved from her native France to the United States to expand her skin-care company, Caudalíe, she wanted to find out what American women wanted from their beauty routines. She interviewed thousands of women and was struck by how different the French and American approaches to beauty were. American women are all about the quick fix—the elusive product or procedure that will instantly solve a nagging beauty problem, even if it hurts, is wildly expensive, or is damaging in the long term. The French, by contrast, approach beauty as an essential and pleasurable part of the day, a lifelong and active investment that makes you look and feel good. Mathilde used these insights to turn Caudalíe into one of America's top beauty brands. Drawing on her company's twenty years of scientific skin-care expertise backed by the research of doctors and dermatologists—as well as the beauty secrets she learned growing up on a vineyard in Bordeaux—*The French Beauty Solution* covers everything from how to use natural ingredients such as oil and honey to wash your face; what foods to eat for healthier hair, skin, and nails; and the amazing properties of grapes and grapeseed oil. She also introduces an easy three-day grape cleanse that European aristocrats have been using to detox for hundreds of years. Blending stories, science, DIY recipes, and tons of savoir faire, *The French Beauty Solution* is the last beauty regimen you'll ever need.

Winner of the 2011 James Beard Foundation Award for International Cooking, this is the authoritative guide to stir-frying: the cooking technique that makes less seem like more, extends small amounts of food to feed many, and makes ingredients their most tender and delicious. The stir-fry is all things: refined, improvisational, adaptable, and inventive. The technique and tradition of stir-frying, which is at once simple yet subtly complex, is as vital today as it has been for hundreds of years—and is the key to quick and tasty meals. In *Stir-Frying to the Sky's Edge*, award-winning author Grace Young shares more than 100 classic stir-fry recipes that sizzle with heat and pop with flavor, from the great Cantonese stir-fry masters to the culinary customs of Sichuan, Hunan, Shanghai, Beijing, Fujian, Hong Kong, Macau, Taiwan, Singapore, and Malaysia, as well as other countries around the world. With more than eighty stunning full-color photographs, Young's definitive work illustrates the innumerable, easy-to-learn possibilities the technique offers—dry stir-fries, moist stir-fries, clear stir-fries, velvet stir-fries—and weaves the insights of Chinese cooking philosophy into the preparation of beloved dishes as Kung Pao Chicken, Stir-Fried Beef and Broccoli, Chicken Lo Mein with Ginger Mushrooms, and Dry-Fried Sichuan Beans.

Finalist for the National Book Award *Finalist for the Kirkus Prize* *Instant New York Times Bestseller* *Named a Best Book of the Year by NPR, New York Post, BuzzFeed, Shelf Awareness, Bustle, and Publishers Weekly* An essential read for our times: an eye-opening memoir of working-class poverty in America that will deepen our understanding of the ways in which class shapes our country and "a deeply humane memoir that crackles with clarifying insight".* Sarah Smarsh was born a fifth generation Kansas wheat farmer on her paternal side, and the product of generations of teen mothers on her maternal side. Through her experiences growing up on a farm thirty miles west of Wichita, we are given a unique and essential look into the lives of poor and working class Americans living in the heartland. During Sarah's turbulent childhood in Kansas in the 1980s and 1990s, she enjoyed the freedom of a country childhood, but observed the painful challenges of the poverty around her; untreated medical conditions for lack of insurance or consistent care, unsafe job conditions, abusive relationships, and limited resources and information that would provide for the upward mobility that is the American Dream. By telling the story of her life and the lives of the people she loves with clarity and precision but without judgement, Smarsh challenges us to look more closely at the class divide in our country.

Beautifully written, in a distinctive voice, *Heartland* combines personal narrative with powerful analysis and cultural commentary,

challenging the myths about people thought to be less because they earn less. “Heartland is one of a growing number of important works—including Matthew Desmond’s *Evicted* and Amy Goldstein’s *Janesville*—that together merit their own section in nonfiction aisles across the country: America’s postindustrial decline...Smash shows how the false promise of the ‘American dream’ was used to subjugate the poor. It’s a powerful mantra” *(The New York Times Book Review).

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature – his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While *1984* and *Animal Farm* are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. In *Why I Write*, the first in the *Orwell's Essays* series, Orwell describes his journey to becoming a writer, and his movement from writing poems to short stories to the essays, fiction and non-fiction we remember him for. He also discusses what he sees as the 'four great motives for writing' – 'sheer egoism', 'aesthetic enthusiasm', 'historical impulse' and 'political purpose' – and considers the importance of keeping these in balance. *Why I Write* is a unique opportunity to look into Orwell's mind, and it grants the reader an entirely different vantage point from which to consider the rest of the great writer's oeuvre. 'A writer who can – and must – be rediscovered with every age.' — *Irish Times*

"Jeff Zentner, you perfectly fill the John-Green-sized hole in our heart." —Justine Magazine "Evocative, heartbreaking, and beautifully written." —Buzzfeed "Masterful." —TeenVogue.com "Hold on to your heart: this book will wreck you, fix you, and most definitely change you." —Becky Albertalli, Morris Award-winning author of *Simon vs. the Homo Sapiens Agenda*

A fascinating portrait of the Standard Oil heiress and legendary American trendsetter Millicent Rogers Nobody knew how to live the high life like Millicent Rogers. Born into luxury, she lived in a whirl of beautiful homes, European vacations, exquisite clothing and handsome men. In *Searching for Beauty*, Cherie Burns chronicles Rogers's glittering life from her days as a young girl afflicted with rheumatic fever to her debutante debut and her Taos finale. A rebellious icon of the age, she eloped with a penniless baron, danced tangos in European nightclubs, divorced, remarried and romanced, among others, Clark Gable. Her romantic conquests, though, paled in comparison to her triumph in the fashion world where she electrified the fashionistas by becoming the muse to designer Charles James, appearing in *Vogue* and *Harper's Bazaar* and - at the end of her life - retreating to Taos, New Mexico where she popularized Southwestern style. With *Searching for Beauty*, Millicent Rogers enters the pantheon of great American women who, like Diana Vreeland and Babe Paley, put their distinctive stamp on American Style.
