When Starflight is kidnapped by the NightWings he finds that the kingdom of his birth is a miserable place, full of terrible secrets--and that, with his fellow dragonets too far away to help, the fate of two kingdoms rests in his talons.

"An exhilarating tale. . . Readers will be enthralled." --J.C. Cervantes, New York Times bestselling author of The Storm Runner A debut novel inspired by Chinese mythology, this middle-grade fantasy follows an outcast as she embarks on a quest to save the world from demons--perfect for fans of Aru Shah and the End of Time and The Serpent's Secret. As a member of the Jade Society, twelve-year-old Faryn Liu dreams of honoring her family and the gods by becoming a warrior. But the Society has shunned Faryn and her brother Alex ever since their father disappeared years ago, forcing them to train in secret. Then, during an errand into San Francisco, Faryn stumbles into a battle with a demon--and helps defeat it. She just might be the fabled Heaven Breaker, a powerful warrior meant to work for the all-mighty deity, the Jade Emperor, by commanding an army of dragons to defeat the demons. That is, if she can prove her worth and find the island of the immortals before the Lunar New Year. With Alex and other unlikely allies at her side, Faryn sets off on a daring quest across Chinatowns. But becoming the Heaven Breaker will require more sacrifices than she first realized. . . What will Faryn be willing to give up to claim her destiny? This richly woven contemporary middle-grade fantasy debut, full of humor, magic, and heart, will appeal to readers who love Roshani Chokshi and Sayantani DasGupta.

Secret of the Dragons Claw continues the adventures of Gavin Kane, Emily Scott, and Bunty Digby, fourteen-year-old teens who struggle with their daily lives in England during the winter of 1941 and into the spring of 1942. War has forced everyone to settle into an uncomfortable daily pattern, while England is still under siege, as U-boats relentlessly attack vital convoys. Halfway across the world, British, American, and Allied forces are now also fighting the Japanese Empire. Twice before, the teens have helped battle the forces of darkness, but once again face strange and wicked creatures sent from deep within Nazi Germany. Secret of the Dragons Claw further develops the friendship and alliance between this teenage trio and the eccentric Sir Thaddeus Osbert. The dragon has become accustomed to battling a myriad of dangerous foes over the ages, but protecting Gavin, Emily, and Bunty has become a full-time endeavor. Thaddeus must deal with his nagging sweet tooth, which this time gets him into several compromising situations. However, the dragons addiction to sugar has unforeseen benefits too. The children band together with their dragon friend, of course, but they also discover magical powers are commonplace throughout the United Kingdom. Will a hasty alliance with a senile old wizard be enough to prevent something so horrible, so unimaginable, that it threatens to plunge the entire world into permanent darkness?
