

## The Love Of My Life

In this exquisitely tender collection of love poem the Grammy Award-Winning singer/songwriter shares her most personal thoughts on love, relationships, and the special person in her life.

Cancer sucks, death sucks even more. But we humans don't have the power to stop either of them from messing with our lives. They enter our lives whenever and wherever they choose to. Cancer is so common that each one of us have known someone who has dealt with the disease; some of us have lost a loved one to cancer. Common does not always mean simple, and it also does not mean we know everything about it. The diagnosis of cancer, regardless of the disease's curability, is almost always nerve-wracking, even for healthcare providers like the main character of this book who is a veteran nurse. This book is written in first person; the subject is a middle aged woman who had been separated from her boyfriend some thirty years ago and then after three decades when she searches for an oncologist for treatment of an aggressive cancer that she was recently diagnosed, she finds her ex-boyfriend's name and decides to see him. That brings back the memory of their past together, and she starts going through her old diary she had written some thirty years in the past. Part of the story is set in Nepal (from the diary) and the other part is set in the USA (this takes place after her cancer diagnosis). The main character of the story was born with 'Manglik' cosmic influencer, meaning that the planet Mars "mangal Graha" was in such position in the solar system at the time of her birth that it would have strong negative effect on her husband if she married a man who was non-Manlik (a person born at the time when the planet Mars was not in such position.) What happens next changes the lives of the main characters.

'A true love story' - Mia Freedman, founder of Mamamia Rachael and Jonathan were thrilled to welcome their baby Mackenzie into the world and to start their new lives as parents. Little did they know that in a few months they would be tested to endurance and beyond. Like many other couples starting a family, Rachael and Jonathan had no idea they were both carriers for a genetic disease, and that 1 in 20 babies are affected by genetic birth defects. Their daughter was one of those babies, and Mackenzie's Mission is Rachael's beautiful and heartwarming account of Mackenzie's life, child loss, and a journey through IVF. Determined that other couples should not go through the same heartbreak, Rachael and Jonathan are now champions for genetic testing. This is a story of triumph over adversity, the strength that can be found in kindness and the power of one couple to effect positive change in the world. 'Heartbreaking and inspiring. A must read for anyone who's lost a child, loved a child, or is desperately trying to for a child. You will cry but you will also find comfort in this incredible story.' - Erin Molan, sports presenter, Nine Network 'A book about grief and finding purpose through unimaginable loss and heartbreak. Beautiful Mackenzie will continue to have a powerful impact on this world through the work of her remarkable parents.' - Libby Trickett, Olympic swimming gold medallist and author of Beneath the Surface 'The most extraordinary story of a mother's love and her daughter's legacy.' - Marcia Leone, creator of Not So Mummys

"Anger is like a thorn in the heart...the roar of my courage and the cold sweat of my fear." Luca Pyromania is an impulse control disorder [1] in which individuals repeatedly fail to resist impulses to deliberately start fires, [1] in order to relieve tension or for instant gratification. Damon DeLuca, or Luca as they called him. I thought of him more as Damien, the fucking devil within these walls that now is my life. Dark, broody, and deadly to any woman. Mind-blowing, soul-shaking, raw sex appeal. He was a tall statured boy with broad shoulders and a pair of green eyes that set my soul on fire. His inky black hair framed his hard, chiseled features. He had the type of body that had no business being on a

seventeen-year-old. I knew that once he fully developed, he'd be nothing short of drop-dead gorgeous. As I said...deadly on the eyes...and dangerous for your heart. My name is Allison. I met Luca through an unfortunate event when we were younger. I'm now twenty-four, and this is my story. My fucked up life. It's not a pretty one. Then again, the most interesting ones aren't...are they? This isn't your usual love story. Anything but. There are no blue skies, rainbows, or unicorns. Only him...my own personal arsonist. He had the ability to set my panties on fire, leave my body smoldering, and turn my heart into burning embers. He scared the hell out of me, made me feel. He opened my eyes to the world of twisted love. But love no less. This scary, beautiful man stole my heart from a young, tender age and refused to give it back. Here's our story... This story is deep, dark, and deals with real scars and growth because of them.

**WHO - OR WHAT - WAS THE REAL LOVE OF FREDDIE MERCURY'S LIFE? THE SENSATIONAL NEW BIOGRPHAY OF QUEEN'S FRONTMAN** Millions of Queen and screen fans who watched the Oscar-winning film Bohemian Rhapsody believe that Mary Austin, the woman he could never quite let go of, was the love of Freddie Mercury's life. But the truth is infinitely more complicated. Best-selling biographer and music writer Lesley-Ann Jones explores the charismatic frontman's romantic encounters, from his boarding school years in Panchgani, India to his tragic, final, bed-ridden days in his magnificent London mansion. She reveals why none of his love interests ever perfected the art of being Freddie's life partner. In Love of My Life, the author follows him through his obsessions with former shop girl Mary, German actress Barbara Valentin and Irish-born barber boyfriend Jim Hutton. She explores his adoration of globally fêted Spanish soprano Montserrat Caballé. She delves into his intimate friendship with Elton John, and probes his imperishable bonds with his fellow band members. She deconstructs his complicated relationship with the 'food of love' - his music - and examines closely his voracious appetite for - what some would call his fatal addiction to - sex. Which of these was the real love of Freddie Mercury's life? Was any of them? Drawing on personal interviews and first-hand encounters, this moving book brings to the fore a host of Freddie's lesser-known loves, weaving them in and out of the passions that consumed him. The result, a mesmerising portrait of a legendary rock star, is unputdownable. Love of My Life, published during the year of the 30th anniversary of his death and that would have seen his 75th birthday, is Lesley-Ann's personal and passionate tribute to an artist she has revered for as long as she has written about music and musicians.

A remarkable novel of suffering, love, and healing—the story of three generations of women on an unlikely journey to a Croatian island and a secret that needs to be told—from the internationally best-selling author of *To the End of the Land* “A magnificent book . . . The way Grossman writes about these regions is unique, with a deep understanding of our experience.” —Josip Mlaki?, *Express (Croatia)* *More Than I Love My Life* is the story of three strong women: Vera, age ninety; her daughter, Nina; and her granddaughter, Gili, who at thirty-nine is a filmmaker and a wary consumer of affection. A bitter secret divides each mother and daughter pair, though Gili—abandoned by Nina when she was just three—has always been close to her grandmother. With Gili making the arrangements, they travel together to Goli Otok, a barren island off the coast of Croatia, where Vera was imprisoned and tortured for three years as a young wife after she refused to betray her husband and denounce him as an enemy of the people. This unlikely journey—filtered through the lens of Gili’s camera, as she seeks to make a film that might help explain her life—lays bare the intertwining of fear, love, and mercy, and the complex overlapping demands of romantic and parental passion. *More Than I Love My Life* was inspired by the true story of one of David Grossman’s longtime confidantes, a woman who, in the early 1950s, was held on the notorious Goli Otok (“the Adriatic Alcatraz”). With flashbacks to the stalwart Vera protecting what was most precious on the wretched rock where she was held, and Grossman’s fearless examination of the human heart, this swift novel is a thrilling addition to the oeuvre of one of our greatest living novelists, whose revered moral voice continues to

resonate around the world.

What if you could, with a little effort, finally find a path to self-love that suits you specifically? A path that will no longer lead you back to exes? A path that will no longer allow you to feel "stuck" in the same kind of poisonous relationships and situationships as everyone else around you? A path to finding out what it truly means to love YOUR self in such a way that it superchargers the love you give to others? We hear it and read about it all the time: "Love Yourself First." But HOW is the question that we all ask ourselves. Horacio Jones has expanded on the ideas that love comes in over 7 billion forms; we all learn and experience love in our own languages, and therefore our paths to healing and accepting ourselves are in different languages as well. There is no one-size-fits-all definition of love. Love is neither right or wrong, it just "is." And the purpose of this book is to shed light on the importance of living by not only your own love language, but also your own healing language. In "I Am The Love Of My Life," Horacio Jones provide you with the enlightenment on finding YOUR own unique path to love YOUR own self. A must-read for anyone whose ever had one of those "why is it so hard to love myself"" moments of self doubt.. This book will give you both new perspectives on self-appreciation principles as well as tactical thinking for figuring out what your own unique version of self-love looks like and how you can get there. Horacio Jones does an amazing job at speaking the truth in regards to relationships, situationships and love. This is a must read especially in today's society of "I don't want a relationship, but I don't want you to be single," and the very confusing "we are exclusive, but not officially together" type of dating. Welcome to the SECOND book written by Horacio Jones.

Awe and exhilaration--along with heartbreak and mordant wit--abound in Lolita, Nabokov's most famous and controversial novel, which tells the story of the aging Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. Lolita is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love--love as outrage and hallucination, madness and transformation.

In Love Your Life, Not Theirs, Rachel Cruze shines a spotlight on the most damaging money habit we have: comparing ourselves to others. Then she unpacks seven essential money habits for living the life we really want--a life in line with our values, where we can afford the things we want to buy without being buried under debt, stress, and worry. The Joneses are broke. Life looks good, but hidden beneath that glossy exterior are credit card bills, student loans, car payments, and an out-of-control mortgage. Their money situation is a mess, and they're trying to live a life they simply can't afford. So why exactly do we try so hard to keep up with the Joneses? Are we really living the lives we want, or are we chasing someone else's dream, just trying to keep up appearances on social media, at church, and in our community? Why are we letting other people set the pace for our own family's finances? In Love Your Life, Not Theirs, Rachel shows you how to buy and do the things

that are important to you--the right way. That starts by choosing to quit the comparisons, reframing the way you think about money, and developing new habits like avoiding debt, living on a plan, watching your spending, saving for the future, having healthy conversations about money, and giving. These habits work, and Rachel is living proof. Now, she wants to empower you to live the life you've always dreamed of without creating the debt, stress, and worry that are all too often part of the deal. Social media isn't real life, and trying to keep up with the Joneses will never get you anywhere. It's time to live--and love--your life, not theirs. "I've never read a book about money that takes this approach--and that's a good thing! Comparison has a way of weaving itself throughout all aspects of our lives, including our money. In *Love Your Life, Not Theirs*, Rachel Cruze outlines the seven money habits that really matter--and they have nothing to do with keeping up with the Joneses!" Candace Cameron-Bure Actress, author, and co-host of *The View* "*Love Your Life, Not Theirs* is full of the kind of practical, straightforward advice we've come to expect from Rachel Cruze. She offers guidance on paying down debt, smart saving, and the right way to talk to your spouse about money. These indispensable tips can help with day-to-day spending decisions and put you on a path to establishing healthy financial habits." Susan Spencer Editor-in-Chief for *Woman's Day* "Cruze's self-deprecating and honest voice is a great resource for anyone wanting to take charge of their money. With humor and approachability, she helps her readers set themselves up for success and happiness, no matter what current financial state they may be in." Kimberly Williams-Paisley New York Times best-selling author of *Where the Light Gets In* "In today's world of social media, the temptation to play the comparison game is stronger than ever. *Love Your Life, Not Theirs* is the perfect reminder that, when it comes to money, comparison is a game you can't win. A terrific--and much needed--read." Jean Chatzky Financial Editor, *NBC TODAY* and Host of *HerMoney* with Jean Chatzky Podcast

This is the story of Harvey Weisenberg--a lifeguard, teacher, policeman, and eventually a New York politician, who quietly made a difference in the lives of millions of children and adults with special needs. In the summer of 1965, Harvey, a lifelong resident of Long Beach, New York, met two people who would make a profound impact on his life: Ellen Laufer and her seven-year-old son, Ricky, who had been born with cerebral palsy and was severely disabled. That day at the Coral Reef Beach Club in Lido Beach, where Harvey worked as a lifeguard, was the beginning of a love story that continues to this day. Not only did Harvey fall in love with Ellen, he also fell in love with Ricky, who introduced him to the challenges of both children with special needs and their families. Through this relationship, Harvey found his life's mission. *For the Love of a Child* tells the story of the people who inspired Harvey early on, as well as the City of Long Beach, which greatly influenced his life in public service. He held office for thirty-eight years, thirteen as a council member in Long Beach and twenty-five in Albany as a state assemblyman. During this time, he worked with--and in some cases, bumped heads with--five New York governors. As a legislator, Harvey's priorities were always for the people, not political agendas, as his story shows. Harvey knows first hand that children with special needs are filled with unconditional love. God gave him an angel in Ricky, a saint in Ellen, and, thanks to both, a mission that allowed him to spend his life making sure that children like Ricky and their families are given the best quality of life. Through his story, Harvey shares the important work he did, the challenges he met, and the life-changing experiences he has had along the way.

A moving story of the former Empress of Iran -- now in paperback. At the age of twenty-one, Farah Diba married the Shah of Iran, Mohammed Reza Shah Pahlavi. A loving marriage, the raising of four children, and a devotion to social and cultural causes marked her early years as queen, although there were already signs of grave national diversions on the horizon. Twenty years later the dream had turned into a nightmare: demonstrations and riots shook the country, and Farah and the Shah decided to leave in order to avoid bloodshed. With the hardcover publication of *An Enduring Love*, a New York Times bestseller (extended list) in 2004, Farah Diba, wife of the last emperor of Iran, broke her silence and told the wrenching story of her love for a man and his country. Her compelling memoir offers an intimate view of a time of upheaval, but stands above all as a powerful human document from one whose life was caught up in an epic and tragic national struggle. After a decade apart, childhood sweethearts reconnect by chance in New York Times bestselling author Christina Lauren's touching, romantic novel *Love and Other Words*...how many words will it take for them to figure out where it all went wrong? The story of the heart can never be unwritten. Macy Sorensen is settling into an ambitious if emotionally tepid routine: work hard as a new pediatrics resident, plan her wedding to an older, financially secure man, keep her head down and heart tucked away. But when she runs into Elliot Petropoulos—the first and only love of her life—the careful bubble she's constructed begins to dissolve. Once upon a time, Elliot was Macy's entire world—growing from her gangly bookish friend into the man who coaxed her heart open again after the loss of her mother...only to break it on the very night he declared his love for her. Told in alternating timelines between Then and Now, teenage Elliot and Macy grow from friends to much

more—spending weekends and lazy summers together in a house outside of San Francisco devouring books, sharing favorite words, and talking through their growing pains and triumphs. As adults, they have become strangers to one another until their chance reunion. Although their memories are obscured by the agony of what happened that night so many years ago, Elliot will come to understand the truth behind Macy's decade-long silence, and will have to overcome the past and himself to revive her faith in the possibility of an all-consuming love. 'I miss him with every breath and heartbeat. He should have been my happy ending. Instead, he is the sad beginning to my story.' Olivia and Luca Felicone have known each other nearly all their lives, but when they fall in love as teenagers and elope, they break the hearts of those closest to them. Luca's parents run Marinella's restaurant, the colourful hub in the otherwise bleak seaside town of Watersford, and his mother, Angela, can never forgive Olivia for causing such a rift in her beloved family. On a freezing January night Olivia's life is shattered when she learns that Luca has been killed in a car accident. She is left with nothing, and after weeks of overwhelming grief, she returns to where Luca has been buried in Watersford, just to be close to him – even though she knows she will not be welcome. Olivia's chance meeting with Luca's married twin brother, Marc, leads to a friendship that she hopes will fill the space where Luca should be.
